Kingfisher Bamboo Shoots in Water - 225g

Kingfisher Bamboo Shoots in Water - 225g Instruction Manual

Your guide to preparing and enjoying Kingfisher Bamboo Shoots.

PRODUCT OVERVIEW

Kingfisher Bamboo Shoots in Water provide tender, sliced bamboo shoots, ready for use in a variety of culinary dishes. These bamboo shoots are preserved in water to maintain their freshness and texture, offering a convenient ingredient for Asian-inspired cuisine and other recipes.

INGREDIENTS AND NUTRITIONAL INFORMATION

For a complete list of ingredients and detailed nutritional information, please refer to the product label on the physical packaging. This information is provided to ensure consumers have access to all necessary dietary details.

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

PREPARATION AND USAGE

- Open Can:** Carefully open the can using a standard can opener.
- Drain:** Drain the bamboo shoots thoroughly from the water they are packed in. Rinsing under cold water is optional but can help remove any residual canning liquid.
- Slice/Dice (Optional):** Depending on your recipe, you may wish to further slice or dice the bamboo shoots to your desired size.
- Incorporate:** Add the prepared bamboo shoots to stir-fries, soups, curries, salads, or other dishes as required by your recipe. They are pre-cooked and primarily need to be heated through or mixed with other ingredients.

Bamboo shoots offer a mild, slightly sweet, and crunchy texture, making them a versatile addition to many meals.

STORAGE INSTRUCTIONS

- Unopened:** Store unopened cans in a cool, dry place away from direct sunlight.
- Opened:** Once opened, transfer any unused bamboo shoots to a non-metallic, airtight container. Cover with fresh water and refrigerate. Consume within 2-3 days for best quality.
- Best Before Date:** Refer to the "Best Before" date printed on the can for optimal freshness and quality.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand	Kingfisher
Product Name	Bamboo Shoots in Water
Net Weight	225g (7.94 oz)
Units	225.00 Grams
Produce Sold As Format	Pre-packaged
