# POLY Plantronics Voyager 5200 UC Bluetooth Headset System User Manual

Model: 206110-101

## 1. INTRODUCTION

---

The POLY Plantronics Voyager 5200 UC is an advanced Bluetooth headset system designed for clear and reliable communication in various environments. This manual provides essential information for setting up, operating, and maintaining your headset.

## 2. WHAT'S IN THE BOX

---

Verify that all items are present in your package:

- Voyager 5200 UC Bluetooth Headset
- Charging Case
- USB-A BT700 Bluetooth Adapter
- Eartips (various sizes)
- Micro USB to USB-A Charging Cable

## 3. SETUP AND FIT

### 3.1 Wearing the Headset

The headset is designed for comfortable wear over either ear. To wear:

1. Slide the headset over and behind your ear.
2. Gently press the earpiece towards your ear.
3. Rotate the microphone boom until it is pointed towards your mouth for optimal voice pickup.

# INTUITIVE CONTROLS

Take hands-free to a new level.

## Caller ID and voice answer

Whispered alerts for talk time, incoming caller ID, speaking while muted

**Voice controls**  
Answer or ignore calls or activate voice assistants

**Easy access  
mute button**

And dynamic mute alert

**P2i coated**

For moisture protection

Image: Visual guide for correctly fitting the headset on the ear and positioning the microphone.

To switch the headset to the other ear, rotate the boom upwards, then twist it around so the eartip is on the opposite side before lowering the mic boom.

### 3.2 Changing Eartips

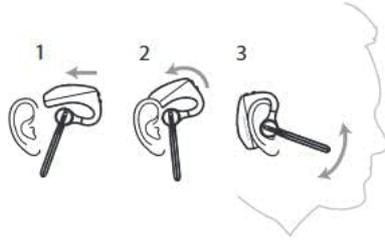

For a better fit, you can change the eartip:

1. Push the current eartip in and rotate it to the left to unlock and remove.

2. Align the new eartip into the slot, push, and rotate to the right to lock it into place.

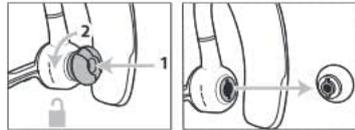

## Fit

- 1 Slide headset over and behind your ear, then press gently toward your ear.  
**NOTE** Remove your eyeglasses before donning the headset for best fit.
- 2 Rotate microphone boom until it is pointed toward your mouth.
- 3 Mic boom moves up and down for a better fit.

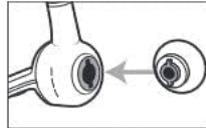

Change the eartip for a better fit.

- 1 Push in eartip and rotate to the left to unlock it.

- 2 Align new eartip into slot; push, rotate to the right and lock into place.

To wear the headset on your other ear, rotate the boom upwards then twist it around so the eartip is on the other side before lowering the mic boom.

## 4. OPERATING INSTRUCTIONS

### 4.1 Power On/Off

Locate the power switch on the back of the headset. Slide it to the 'On' or 'Off' position.

### 4.2 Volume Control

Volume buttons are located on the headset for easy adjustment during calls or media playback.

### 4.3 Call Management

The headset features intuitive controls for answering, ending, or ignoring calls. A dedicated mute button is also available for privacy during conversations.

## ONE HEADSET – MANY DEVICES

BT700 USB adapter connects to your PC/Mac and connects directly to your smartphone with Bluetooth version 5.0. Smart sensor technology automatically detects if the headset is being worn, and transitions calls seamlessly.

## ALL-DAY COMFORT

Rigorously tested for stability and comfort on a wide range of ear shapes, so it feels as comfortable on your last call of the day as it did on the first. Recharge on the go with included charging case for up to 14 additional hours of power to support your all-day productivity.

Image: The headset's controls, including volume and mute buttons, are easily accessible.

## 5. CONNECTIVITY

### 5.1 Bluetooth Pairing

The Voyager 5200 UC connects via Bluetooth 5.0. To pair with your device, ensure Bluetooth is enabled on your smartphone or tablet, then follow the pairing instructions in the Quick Start Guide.

### 5.2 PC/Mac Connection

For PC or Mac connectivity, use the included USB-A BT700 Bluetooth adapter. Plug the adapter into an available USB port on your computer. The headset will automatically connect, providing enhanced audio performance for applications like Microsoft Teams and Zoom.

# VOYAGER 5200 UC

Mono Bluetooth® headset system

“ THE PLANTRONICS VOYAGER 5200 IS ONE OF THE VERY BEST BLUETOOTH HEADSETS AROUND, FROM A BRAND NAME THAT IS WELL RESPECTED WHEN IT COMES TO HEADSETS.” “IT’S DESIGNED WITH COMFORT IN MIND, SO YOU CAN WEAR IT FOR EXTENDED PERIODS WITHOUT IT BOTHERING YOU AND IT SITS SECURELY IN PLACE TOO, SO IT WON’T FALL OFF.”

— Techradar —

## WORK WHEREVER

## 9. MAINTENANCE

- Keep the headset clean by wiping it with a soft, dry cloth.
- Avoid exposing the headset to extreme temperatures or direct sunlight for prolonged periods.
- Store the headset in its charging case when not in use to protect it and keep it charged.

## 10. TROUBLESHOOTING

### 10.1 No Audio or Poor Sound Quality

- Ensure the headset is powered on and fully charged.
- Verify that the headset is properly paired and connected to your device.
- Check the volume levels on both the headset and your connected device.
- Move closer to your connected device to ensure you are within the wireless range.

### 10.2 Pairing Issues

- Turn off and then on the headset and your device.
- Delete the headset from your device's Bluetooth list and attempt to re-pair.
- Ensure no other Bluetooth devices are interfering with the pairing process.

## 11. WARRANTY AND SUPPORT

---

The Plantronics Voyager 5200 UC comes with a 1-year limited warranty. For detailed warranty information, technical support, or service, please visit the official POLY support website or contact their customer service. You can also customize your device settings and receive updates using the Poly Lens desktop app.
