GNC 303511

GNC TriFlex Joint Support Caplets User Manual

Brand: GNC | Model: 303511

Product Overview

GNC TriFlex Joint Support Caplets are formulated to provide comprehensive support for joint health. This dietary supplement delivers clinical-strength doses of key ingredients like glucosamine, chondroitin, and MSM, which are essential for maintaining healthy joint tissue and cartilage. It is designed to enhance joint mobility, comfort, and flexibility, helping to alleviate daily wear and tear associated with aging or physical activity.

Key Benefits

- **Clinical-Strength Formulation:** Provides 1500mg of glucosamine and 1200mg of chondroitin, a powerful combination for supporting joint tissue and cartilage.
- **Enhanced Joint Health:** Encourages flexibility, comfort, mobility, and overall joint function.
- **MSM and Hyaluronic Acid:** Includes MSM, a dietary source of sulfur crucial for healthy joint cartilage and collagen, and hyaluronic acid for joint cushioning.
- **Quality Assurance:** Backed by GNC's commitment to high standards of quality, safety, and efficacy since 1935.
- **Convenient Supply:** Each bottle contains 120 caplets, providing a 40-day supply.

Ingredients

The GNC TriFlex Joint Support Caplets contain the following ingredients:
Microcrystalline Cellulose. Hydroxypropyl Methylcellulose. Croscarmellose Sodium. Crospovidone. Stearic Acid Vegetable Source. Titanium Dioxide (Natural Mineral Whitener). Magnesium Stearate Vegetable Source. Polyethylene Glycol. Silica. Talc
For detailed supplement facts, please refer to the product label.
