PRODUCT OVERVIEW

The Senso activbuds s-250 are designed for active lifestyles, offering a secure and comfortable fit with advanced audio technology.

- **True HD High Fidelity Sound:** Equipped with Bluetooth 4.1 CSR technology and acoustic components for deep bass and clear treble.
- **IPX7 Waterproof Rating:** Designed to withstand sweat and splashes, making them ideal for sports and workouts.
- **Comfortable and Secure Fit:** Ergonomically designed flexible ear hooks and gel Flex silicone earbuds ensure a stable and fatigue-free experience.
- **Long Battery Life:** Up to 8 hours of music playback and 240 hours of standby time on a single 1.5-hour charge.
- **CVC 6.0 Noise Suppression:** Reduces ambient noise for clearer calls and immersive music listening.

- **Wireless Range:** Connects seamlessly with Bluetooth-enabled devices up to 30 feet away.

Setup

1. Charging the Headphones

Before first use, fully charge your Senso Bluetooth Headphones. A full charge takes approximately 1.5 hours.

1. Locate the Micro USB charging port on the right earbud, usually covered by a small rubber flap.
2. Connect the provided USB charging cable to the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter, or the included car charger).
3. The LED indicator light will turn red during charging and turn blue or off when fully charged.

2. Pairing with Your Device

Follow these steps to pair your headphones with a Bluetooth-enabled device:

1. Ensure the headphones are turned off.

2. Press and hold the multi-function button on the right earbud for approximately 5-7 seconds until the LED indicator light flashes red and blue alternately. This indicates pairing mode.

3. On your device (smartphone, tablet, computer), enable Bluetooth and search for new devices.

4. Select "Senso activbuds s-250" (or similar name) from the list of available devices.

5. Once connected, the LED indicator light on the headphones will flash blue slowly or turn solid blue, and you may hear a voice prompt confirming the connection.

Note: If prompted for a password, enter "0000". The headphones will automatically attempt to reconnect to the last paired device when turned on.

OPERATING INSTRUCTIONS

Controls Overview

All controls are located on the right earbud.

Button/Action	Function
Multi-function Button (MFB)	Press and hold (5-7s): Power On/Off, Enter Pairing Mode Short press: Play/Pause music, Answer/End call Double press: Redial last number Press and hold (1s during call): Reject call
Volume Up (+)	Short press: Increase volume Press and hold: Next track
Volume Down (-)	Short press: Decrease volume Press and hold: Previous track

Wearing the Headphones

The Senso headphones feature flexible ear hooks for a secure fit. Gently place the earbuds into your ears and adjust the ear hooks over your ears until they feel comfortable and stable. Experiment with the different sizes of silicone ear tips to find the best seal for optimal sound quality and comfort.

MAINTENANCE

Proper care will extend the life of your headphones:

- **Cleaning:** Wipe the headphones with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Remove ear tips and clean them separately with mild soap and water, then dry thoroughly before reattaching.
- **Storage:** When not in use, store the headphones in the provided hard carry case to protect them from dust, dirt, and physical damage.
- **Water Exposure:** While IPX7 rated, avoid prolonged submersion in water. Ensure the charging port cover is securely closed to maintain water resistance.
- **Temperature:** Avoid exposing the headphones to extreme temperatures (hot or cold) as this can affect battery life and overall performance.

Superior HD Sound Quality With CSR Technology

**Bonus Item:
Sturdy Carry Case**

TROUBLESHOOTING

If you encounter issues with your headphones, try the following solutions:

Problem	Solution
Headphones won't turn on	Ensure the headphones are fully charged. Connect to a power source and check the charging indicator.

Problem	Solution
Cannot pair with device	Make sure headphones are in pairing mode (flashing red and blue).
	Ensure Bluetooth is enabled on your device and it's within 30 feet of the headphones.
	Forget/delete previous pairings on your device and try pairing again.
	Restart both the headphones and your device.
No sound or low volume	Increase volume on both the headphones and your connected device.
	Ensure headphones are properly connected to your device.
	Check if the audio source is playing.
Sound cutting in/out	Move closer to your device to reduce interference.
	Avoid obstacles between the headphones and your device.
	Ensure no other strong wireless signals are interfering.
