SONGMICS RCR19W

SONGMICS RCR19W Coat Rack Instruction Manual
Model: RCR19W

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your SONGMICS RCR19W Coat Rack. Please read this manual thoroughly before assembly and retain it for future reference.

2. SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the coat rack on a soft, clean surface to prevent scratches.
- Do not exceed the maximum load capacity of 34.02 kg (75 lbs).
- Distribute weight evenly across the hooks to maintain stability.
- Keep small parts away from children during assembly to avoid choking hazards.
- Periodically check all connections to ensure they remain tight.

3. PACKAGE CONTENTS

Verify that all the following components are included in your package:

- 1 x SONGMICS RCR19W Coat Rack (disassembled components)
- 1 x Instruction Manual (DE, EN, FR, IT, ES)
- Necessary assembly hardware (screws, wrench, etc.)

4. ASSEMBLY INSTRUCTIONS

The SONGMICS RCR19W Coat Rack is designed for straightforward assembly. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent damage.

2. **Assemble the Base:** Connect the three leg sections to the central lower pole. Ensure they are securely fastened using the provided screws. The curved tripod design enhances stability.

3. **Attach the Middle Pole:** Connect the middle pole section to the lower pole. Align the pre-drilled holes and secure with screws.

4. **Install the Upper Pole and Hooks:** Attach the upper pole section. Then, secure the 12 individual hooks to the upper pole using the designated attachment points and screws. Ensure each hook is firmly in place.

5. **Final Check:** Once all parts are assembled, gently shake the coat rack to ensure all connections are stable and tight. Adjust if necessary.

Image 4.1: Detail of how the hooks attach to the central pole, showing screw points for secure fastening.

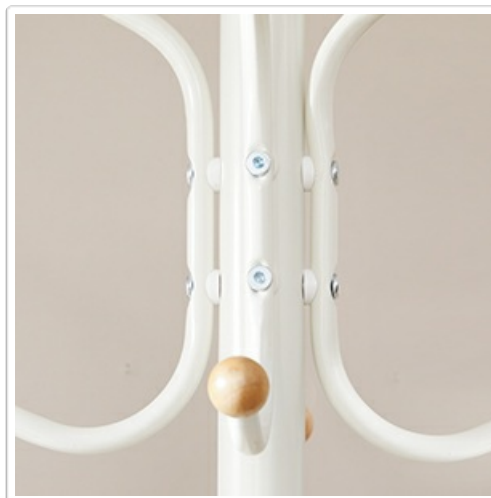

Image 4.2: A close-up view of the central pole connections, illustrating the secure assembly points.

Image 4.3: Detail of the protective foot cap, designed to prevent floor scratches and enhance stability.

5. OPERATING INSTRUCTIONS

The SONGMICS RCR19W Coat Rack is designed for organizing various garments and accessories. Its 12 rounded hooks prevent damage to your items.

- **Hanging Items:** Utilize the 12 hooks to hang coats, jackets, hats, scarves, bags, and other accessories. The rounded wooden ends on each hook are designed to protect your clothing from snags or damage.

- **Weight Distribution:** For optimal stability, distribute the weight of your items evenly across the hooks. Avoid overloading any single hook or side of the rack.

- **Placement:** Position the coat rack in your entryway, hallway, bedroom, or office for convenient access to your outerwear.

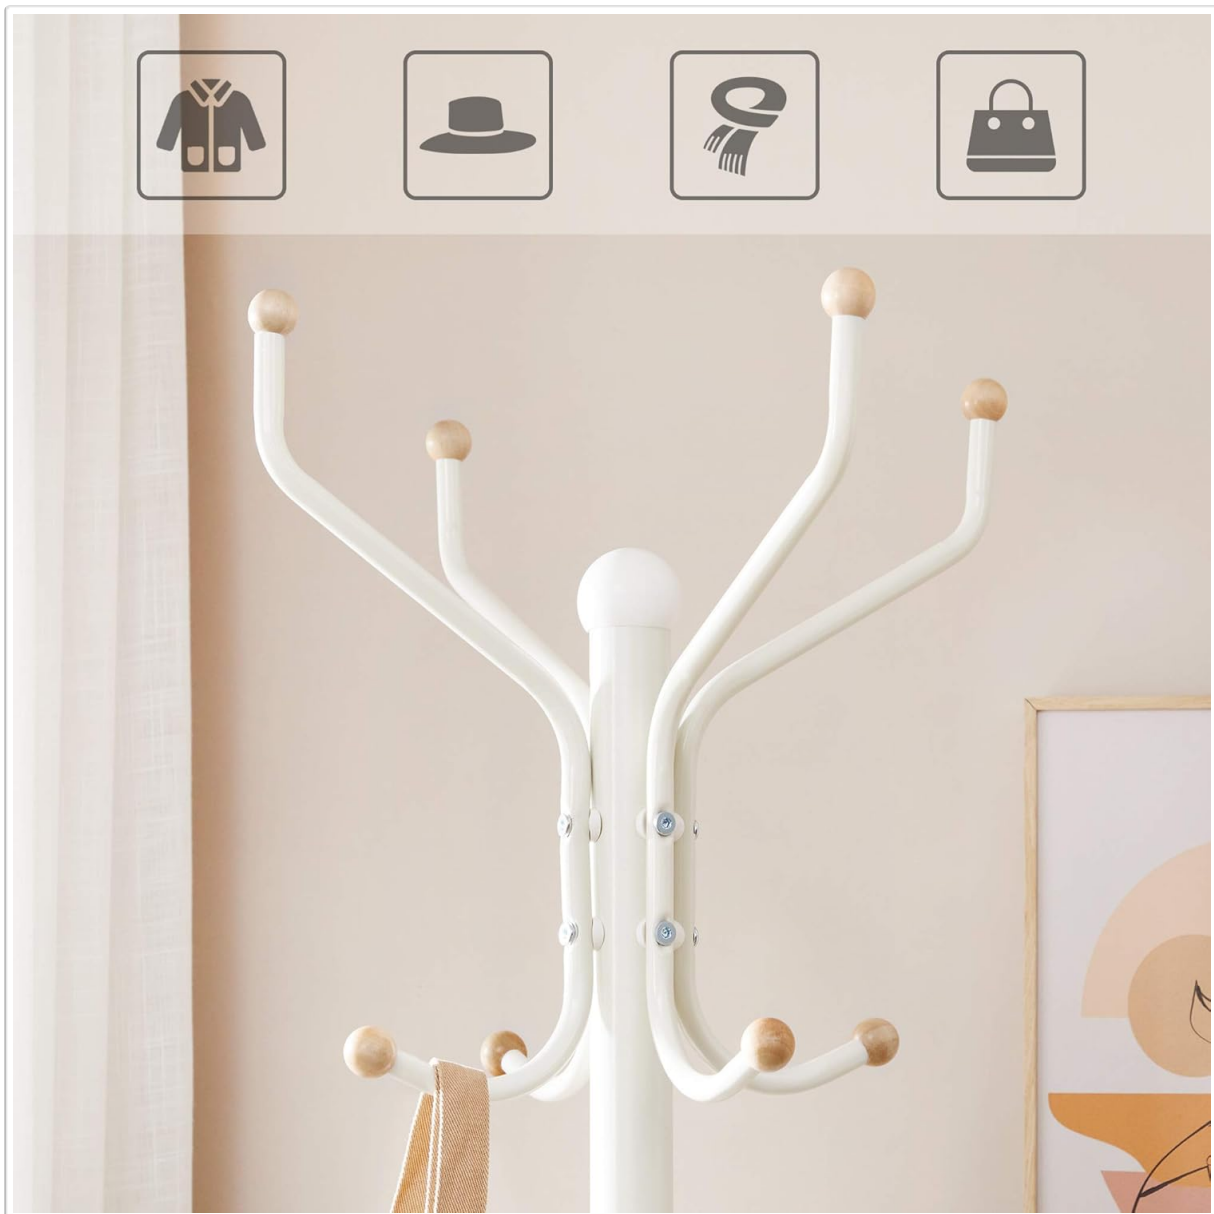

Image 5.2: A detailed view of the hooks, showing how different items like coats, hats, and bags can be hung.

Image 5.3: A hand demonstrating the ease of placing a garment onto one of the rounded hooks.

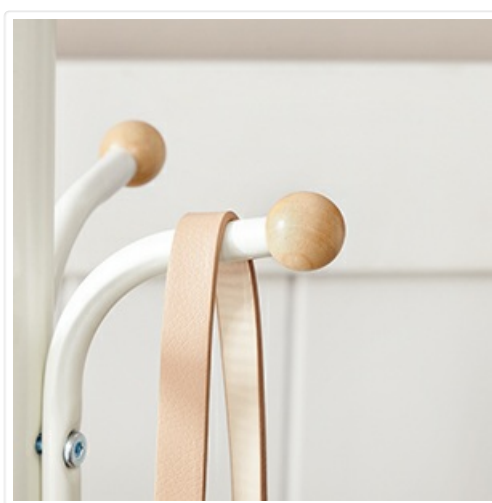

Image 5.4: A close-up of a hook, illustrating its rounded design and ability to hold smaller accessories like belts.

6. MAINTENANCE

To ensure the longevity and appearance of your SONGMICS RCR19W Coat Rack, follow these simple

maintenance guidelines:

- **Cleaning:** The coat rack features a water and rust-resistant surface. For general cleaning, wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically inspect all screws and connections. Tighten any loose fasteners to maintain the rack's stability.
- **Environment:** Avoid placing the coat rack in excessively humid environments or direct sunlight for prolonged periods, which could affect the material over time.

7. TROUBLESHOOTING

If you encounter any issues with your coat rack, refer to the following common problems and solutions:

- **Instability/Wobbling:**
  Solution: Check that all screws are securely tightened. Ensure the coat rack is placed on a flat, even surface. Redistribute items if weight is unevenly distributed.
- **Difficulty Assembling:**
  Solution: Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not force parts together; if they don't fit, re-check the orientation.
- **Scratches on Floor:**
  Solution: Ensure the protective foot caps are properly installed on the base legs. If missing or damaged, contact customer support for replacements.

8. SPECIFICATIONS

| Feature	Specification
Brand	SONGMICS
Model Number	RCR19W
Color	White
Material	Metal
Dimensions (H x W x D)	182 x 44 x 19.29 cm (71.7 x 17.3 x 7.6 inches)
