## nanoblock NBPM022

# nanoblock Pokémon Flareon Building Kit Instruction Manual

Model: NBPM022

## INTRODUCTION

This instruction manual provides detailed guidance for assembling your nanoblock Pokémon Flareon building kit. Flareon, a fire-type Pokémon, evolves from Eevee and is known for its orange-red fur and distinctive features. This kit allows you to construct a miniature, pixel-art style representation of Flareon using micro-sized building blocks.

The nanoblock system features bricks as small as 4mm x 4mm x 5mm, enabling intricate designs. This kit is rated at a Level 2 difficulty, suitable for ages 8 and up, offering a rewarding building experience.

## SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children to prevent accidental ingestion.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Proper Disposal:** Dispose of packaging materials responsibly.

## PARTS LIST

Your nanoblock Pokémon Flareon kit includes approximately 160 micro-sized building blocks in various colors and shapes, along with detailed step-by-step instructions. Please verify all parts are present before beginning assembly.

## SETUP AND ASSEMBLY

1. **Unpack Components:** Carefully open the packaging and lay out all nanoblock pieces on a clean, flat surface. It is recommended to sort pieces by color and size to facilitate assembly.

2. **Review Instructions:** Refer to the included step-by-step instruction sheet. Each step will illustrate which blocks to use and where to place them.
3. **Begin Assembly:** Start building from the base of the Flareon model as indicated in the instructions. Pay close attention to the orientation and placement of each block.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure. Due to the small size of the blocks, a pair of tweezers (not included) may be helpful for precise placement.
5. **Progress Systematically:** Follow the instructions sequentially. Do not skip steps, as this may lead to an incorrect or unstable model.
6. **Final Touches:** Once all blocks are assembled, double-check the model against the final image in the instructions to ensure accuracy.

## OPERATING AND DISPLAY

---

Once assembled, your nanoblock Flareon model is ready for display. It is a static model designed for exhibition rather than active play.

- **Display Location:** Place the model on a stable, flat surface away from direct sunlight, excessive heat, or moisture to preserve its colors and structural integrity.
- **Handling:** Handle the model gently to avoid dislodging blocks.

## MAINTENANCE

To keep your nanoblock Flareon model in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry brush or a can of compressed air. Avoid using liquid cleaners, which may damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Model is unstable or falls apart easily.	Blocks not fully pressed together; incorrect block placement.	Carefully re-examine the instructions and ensure each block is securely connected. Apply firm, even pressure.
Missing a piece.	Piece may have been overlooked during unpacking or assembly.	Thoroughly check your work area and packaging. If genuinely missing, contact nanoblock customer support.
Difficulty connecting small pieces.	Small size of blocks requires precision.	Use fine-tipped tweezers for better grip and control. Ensure hands are clean and dry.

## SPECIFICATIONS

**Model Name:** Flareon [Pokémon], nanoblock Pokémon Series Building Kit

**Model Number:** NBPM022

**Brand:** nanoblock

**Manufacturer:** Kawada

**Number of Pieces:** 160

**Approximate Dimensions (assembled):** 2.67 x 2.04 x 2 inches

**Material:** Plastic

**Recommended Age:** 8+ (Difficulty Level 2)

**Educational Objective:** Logical Thinking, Motor Skills, Problem Solving Skills
