OPERATING INSTRUCTIONS

Your Yaheetech Computer Desk is designed with multiple functional areas to optimize your workspace:

- **Spacious Desktop:** The main desktop area (31.5"W x 19.7"D) is suitable for placing monitors, laptops, and for various writing tasks.
- **Monitor Shelf:** An elevated platform provides a dedicated space for your monitor, helping to maintain ergonomic viewing and freeing up valuable desktop space.
- **Storage Drawer:** A smooth-sliding drawer is integrated for organizing small office supplies, keeping your workspace tidy. The drawer features smooth metal slides for easy operation.
- **Open Shelves/CPU Stand:** The lower section includes open shelves, with one specifically designed to accommodate a CPU tower, while the other can be used for books, documents, or other storage items.

MAINTENANCE

- **Cleaning:** Wipe the melamine veneer surfaces with a damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Inspection:** Periodically inspect all screws and fasteners to ensure they remain tight. Tighten any loose connections to maintain the desk's stability.
- **Protection:** To prevent damage, avoid placing hot items directly on the desk surface. Use coasters for beverages.

TROUBLESHOOTING

- **Wobbling Desk:** If the desk feels unstable, ensure all assembly screws are securely tightened. Verify that the desk is placed on a flat, level surface. Adjust any uneven floor surfaces if necessary.
- **Drawer Not Sliding Smoothly:** Check that the drawer slides are correctly installed and aligned. Ensure there are no obstructions in the slide mechanism. Confirm all screws attaching the slides are tight.
- **Missing or Damaged Parts:** If you discover any missing or damaged parts upon opening the

package, please contact Yaheetech customer support immediately with your purchase details for assistance.
