## 2. SETUP INSTRUCTIONS

The MAULfun whiteboard is designed for easy installation and flexible use. It can be mounted on a wall or used as a portable surface.

### 2.1 Wall Mounting

The whiteboard can be mounted in either landscape or portrait orientation. Specific mounting hardware is not included with the board itself, but standard wall-mounting hooks or adhesive strips suitable for its light weight (20 grams) can be used. Ensure the chosen mounting method is appropriate for your wall type and can securely hold the board.

## 2.2 Portable Use

Due to its low weight and practical size, the whiteboard can be easily moved and used on desks, tables, or other flat surfaces without permanent installation.

## 3. OPERATING INSTRUCTIONS

Using your MAULfun whiteboard is straightforward.

### 3.1 Writing and Erasing

- Use only dry-erase markers specifically designed for whiteboards.
- Write clearly on the smooth surface.
- To erase, use a dry-erase board eraser or a soft, dry cloth. The surface is designed for easy dry-erasing.

### 3.2 Using the Magnetic Surface

One side of the MAULfun whiteboard features a magnetic steel sheet. This allows you to attach magnetic letters, numbers, notes, or other lightweight magnetic accessories.

## 4. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your whiteboard.

- **Regular Cleaning:** Erase the board after each use to prevent marker residue buildup.
- **Deep Cleaning:** For stubborn marks or ghosting, use a specialized whiteboard cleaning spray and a soft cloth. Follow the cleaner's instructions.
- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, or sharp objects on the whiteboard surface, as these can damage the finish.
- **Storage:** When not in use, store the whiteboard in a dry place away from direct sunlight or extreme temperatures.

## 5. TROUBLESHOOTING

If you encounter issues with your MAULfun whiteboard, consider the following:

- **Marker Not Erasing:** Ensure you are using dry-erase markers. Permanent markers will not erase easily and may require a specialized cleaner or alcohol for removal.
- **Ghosting/Stains:** Regular dry erasing may leave faint marks over time. Use a whiteboard cleaning solution for a thorough clean.
- **Magnets Not Sticking:** Verify that you are using the magnetic side of the board. Only one side is magnetic. Ensure your magnets are strong enough for the items you wish to attach.
