

Transformers C1104AS0

Instruction Manual for Transformers Generations Titans Return Sky Shadow and Ominus

Model: C1104AS0

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and care of your Transformers Generations Titans Return Sky Shadow and Ominus figures. These Leader Class figures feature advanced conversion and intricate detailing, offering multiple modes of play.

The Titan Master figure, Ominus, is designed to become the head of the larger Sky Shadow figure and is compatible with other Deluxe Class, Voyager Class, and Leader Class Titans Return figures (sold separately). In the Titans Return saga, Autobots and Decepticons combine with Titan Masters, small bots that provide a power boost, crucial for controlling the ancient, city-sized warriors known as Titans.

COMPONENTS INCLUDED

- Leader Class Sky Shadow figure
- Titan Master Ominus figure
- Accessory (weapon)
- Collector card with tech specs
- Instruction sheet (this manual)

Figure packaging showing Sky Shadow and Ominus, highlighting the 4 modes.

SETUP AND INITIAL ASSEMBLY

Your Sky Shadow figure comes partially assembled. The Titan Master Ominus figure is designed to attach as the head of Sky Shadow.

1. **Attach Ominus:** Locate the small Ominus figure. Carefully align the connection port on Ominus with the neck joint on the Sky Shadow figure. Press firmly until it clicks into place, forming the head of Sky Shadow.
2. **Weapon Attachment:** The included accessory weapon can be held by Sky Shadow in robot mode. Insert the

peg on the weapon into the port in Sky Shadow's hand.

The Titan Master Ominus figure detaches from Sky Shadow's body.

OPERATING INSTRUCTIONS: TRANSFORMATION MODES

The Leader Class Sky Shadow figure features four distinct modes: Robot, Tank, Jet, and Battle Station. The figure converts in 18 steps from robot to tank mode. The Titan Master Ominus figure converts in 1 step from robot to head mode.

1. Robot Mode

This is the primary mode of the Sky Shadow figure, ready for battle.

2. Tank Mode

To convert Sky Shadow from Robot to Tank mode, follow the detailed instructions provided in the included instruction sheet. This transformation involves 18 steps.

Sky Shadow transformed into its powerful tank mode.

3. Jet Mode

Sky Shadow can also transform into a sleek jet mode. Refer to the included instruction sheet for the specific conversion steps to achieve this mode.

Sky Shadow in its aerodynamic jet mode.

4. Battle Station Mode

The Battle Station mode allows Sky Shadow to link with other figures, such as the Trypticon figure (sold separately), to create larger play scenarios. Consult the instruction sheet for transformation details.

Feature	Detail
Product Dimensions	4.02 x 10 x 12.52 inches
Item Weight	1 pounds
Model Number	C1104AS0
Manufacturer Recommended Age	8 years and up
Release Date	April 23, 2017
Manufacturer	Hasbro

TROUBLESHOOTING

If you encounter any issues with your Transformers figure, please refer to the following common solutions:

- **Difficulty with Transformation:** Ensure all joints are properly aligned and moved in the correct sequence as per the instruction sheet. Do not force parts, as this may cause damage. Review the official product video for visual guidance.
- **Loose Joints:** Over time, some joints may become slightly loose. This is typical with articulated figures. Gentle manipulation or minor adjustments may improve stability.
- **Missing Parts:** Verify all components listed in the "Components Included" section are present. If any parts are missing upon opening, contact customer support immediately.

MAINTENANCE

To ensure the longevity and optimal condition of your figure:

- **Cleaning:** Wipe the figure with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, which can damage the paint or plastic.
- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent material degradation and discoloration.
- **Handling:** Handle the figure with care, especially during transformations, to avoid stress on joints and delicate parts.

WARRANTY INFORMATION

This product is manufactured by Hasbro. For information regarding product warranties, returns, or defects, please refer to Hasbro's official customer service channels or their website. Keep your proof of purchase for any warranty claims.

CUSTOMER SUPPORT
