LuvLap Sports Convertible Car Seat Instruction Manual

Model: 18217 | Brand: LuvLap

1. INTRODUCTION AND OVERVIEW

The LuvLap Sports Convertible Car Seat is designed to provide safety and comfort for your child from newborn up to 4 years of age (0-18 kg). This versatile car seat supports both rearward-facing and forward-facing installations, adapting as your child grows. It is certified as per European Safety Standards (ECER44/04), ensuring maximum safety with its 5-point safety harness and side impact protection.

This manual provides essential information for the correct installation, operation, and maintenance of your LuvLap Sports Convertible Car Seat. Please read it thoroughly before use and keep it for future reference.

2. KEY FEATURES

- **European Safety Standard Certified:** Conforms to ECER44/04 standards for child safety.
- **Convertible Design:** Supports rearward-facing for newborns to 2 years (up to 10 kg) and forward-facing for 2 to 4 years (10-18 kg).
- **5-Point Safety Harness:** Secures your child from shoulders, waist, and crotch for optimal protection.
- **3-Position Height-Adjustable Headrest & Harness System:** Grows with your child for a snug and safe fit.
- **3 Reclining Positions:** Includes 2 forward-facing and 1 rearward-facing recline level for enhanced comfort.
- **Soft Padding:** Features soft padding on the harness, head, and seat for optimum safety and comfort.
- **Side Impact Protection:** Additional padded wings provide extra safety against side impacts.
- **Removable & Washable Seat Cover:** Easy to remove and machine washable for convenient cleaning.
- **Easy One-Pull Harness Adjustment:** Simplifies adjusting the safety belt without hassle.

Your baby's *happy* place

Maximum Weight Recommendation	18 kg (4 Years)
Material	HDPE Fabric (100% polyester), Sponge
Number of Reclining Positions	3 (1 rearward, 2 forward)
Harness Type	5-Point
Product Dimensions (LxWxH)	45 x 47 x 65 cm
Item Weight	7.2 kg
Manufacturer Recommended Age	0 - 4 years
Installation Type	Vehicle Seat Belt
Safety Standard	ECER44/04

4. SETUP AND INSTALLATION

4.1. Rearward-Facing Installation (Newborn to 2 Years, 0-13 kg)

For children weighing 0-13 kg, the car seat must be installed in a rearward-facing position. Ensure the vehicle's rear seat is suitable for car seat installation.

1. Adjust the recline of the seat to position **Number 3**. To do this, press the red adjustment plate upwards and recline the seat, aiming at the red arrow below the safety seat, without releasing the plate.
2. Place the car seat on the vehicle's rear seat in the reverse direction.
3. Pull out the vehicle seat belt. The bottom part of the vehicle's safety belt shall go into the blue slot under the child car seat and come out of the other side.
4. Insert the top part of the vehicle's safety belt into the blue guiding hook at the same side of the vehicle safety belt.
5. Fasten the vehicle seat belts securely.

4.2. Forward-Facing Installation (2 to 4 Years, 9-18 kg)

For children weighing 9-18 kg, the car seat should be installed in a forward-facing position.

1. Adjust the recline of the seat to either position **Number 1 or 2**. To do this, press the red adjustment plate upwards and recline the seat, aiming at the red arrow below the safety seat, without releasing the plate.
2. Place the car seat on the vehicle's rear seat in the forward direction.
3. Pull out all parts of the vehicle safety belt. The vehicle's safety belt should go into the red guiding hole on the child safety seat and come out from another side through its backrest.
4. Insert the safety belt into the red guiding hole.
5. Fasten the vehicle seat belts securely.

Video: Step-by-step guide on how to install the LuvLap Sports Convertible Car Seat in both rearward and forward-facing positions using the vehicle's seat belt.

5. OPERATING THE CAR SEAT

5.1. Adjusting Recline Positions

The car seat offers 3 recline positions for your child's comfort. To adjust, locate the red adjustment plate below the seat. Press it upwards and recline the seat to the desired position (Number 3 for rearward-facing, Number 1 or 2 for forward-facing).

5.2. Adjusting Shoulder Harness and Headrest

The shoulder harness can be adjusted to 4 positions to accommodate your child's height and structure. The headrest is also height-adjustable.

1. To loosen the shoulder belt, press the bottom button and pull out the harness connector from the bottom.
2. Release the shoulder belts and insert them into the desired slot as per your child's height.
3. Attach the harness connector at the back.
4. Press the bottom button and adjust the height of the shoulder belt to secure your child.

6. MAINTENANCE

Maintaining the cleanliness of your car seat is crucial for your child's hygiene and comfort.

- The seat cover is removable and machine washable. Follow the washing instructions on the care label to

ensure longevity.

- Regularly check all straps, buckles, and adjustment mechanisms for any signs of wear or damage.
- Do not use harsh chemicals or abrasive cleaners on any part of the car seat.

7. SAFETY GUIDELINES

- Always use the car seat in the rear seat of the vehicle. Never install it in a front seat with an active airbag.
- Ensure the 5-point harness is always securely fastened and adjusted snugly against your child's body, with no more than two fingers fitting between the harness and the child's collarbone.
- Verify that the car seat is correctly installed and tightly secured to the vehicle seat using the seat belt, with minimal movement.
- Do not use the car seat if it has been involved in a crash, even if there is no visible damage. Replace it immediately.
- Never leave your child unattended in the car seat.
- Follow the age and weight recommendations for rearward-facing and forward-facing modes strictly.
