## **Babyletto Lolly 3-in-1 Convertible Crib**

# **Babyletto Lolly 3-in-1 Convertible Crib Instruction Manual**

Model: Lolly 3-in-1 Convertible Crib (Black and Washed Natural)

Brand: Babyletto

## **1. PRODUCT OVERVIEW**

The Babyletto Lolly 3-in-1 Convertible Crib is designed to adapt to your child's growth, transitioning seamlessly from a baby crib to a toddler bed and then to a daybed. Crafted from sustainably sourced New Zealand pine wood, this crib features a modern aesthetic with hidden hardware for a clean, polished look. It is GREENGUARD Gold Certified, ensuring a healthier indoor environment for your child.

### 3. OPERATING INSTRUCTIONS

#### 3.1. 3-in-1 Conversion

The Lolly crib is designed for long-term use, converting into a toddler bed and a daybed. The toddler bed conversion kit is included with your purchase. Follow the specific instructions provided in your product manual for safely converting the crib to each stage.

GROWS WITH BABE

## 4 adjustable mattress heights

Image: The Babyletto Lolly Crib in its toddler bed configuration, featuring a partial side rail for easy access.

### 3.2. Adjustable Mattress Heights

The crib features four adjustable mattress heights to accommodate your baby's developmental stages. The highest setting is suitable for newborns, allowing easier access for parents. As your baby grows and becomes more mobile (e.g., learning to roll over, sit up, or stand), the mattress support should be lowered to prevent climbing out and ensure safety.

---

## 4. CARE AND MAINTENANCE

To maintain the quality and longevity of your Babyletto Lolly crib, regularly wipe down surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish. Ensure all hardware remains tight and secure. Periodically check for any loose parts and tighten them as needed.

---

## 5. TROUBLESHOOTING

If you encounter any issues with your Babyletto Lolly crib, please refer to the detailed troubleshooting section in your original product manual. Common issues may include loose hardware or difficulty with conversion. Ensure all components are correctly aligned and securely fastened. For persistent problems or concerns, please contact Babyletto customer support.
