# Duravit D-Code Compact Soft-Close Toilet Seat Instruction Manual

Model: D-Code 673900

## 1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, maintenance, and troubleshooting of your Duravit D-Code Compact Soft-Close Toilet Seat, model D-Code 673900. Please read these instructions carefully before installation and retain them for future reference.

The Duravit D-Code Compact toilet seat is designed for specific Duravit D-Code ceramic series WCs, offering a space-saving solution with its shortened projection. It features a soft-closing mechanism for quiet operation and is constructed from durable urea thermoset material with stainless steel hinges.

## 2. SAFETY INFORMATION

Observe the following safety guidelines during installation and use:

- Always ensure the toilet seat is securely fastened to prevent movement and potential injury.
- Do not stand on the toilet seat or lid. It is not designed to support full body weight.
- Keep small children away from the toilet seat during installation to prevent access to small parts.
- Use appropriate tools for installation and follow all steps carefully.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the surface of the toilet seat and hinges.

### 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning installation:

- Duravit D-Code Compact Toilet Seat with Cover
- Fixing Material (Hinges, screws, washers, nuts)
- Installation Instructions (This manual)
- Care Instructions

### 4. SETUP (INSTALLATION)

---

The Duravit D-Code Compact toilet seat is designed for quick and easy installation from below. Ensure your WC is compatible with the dimensions provided.

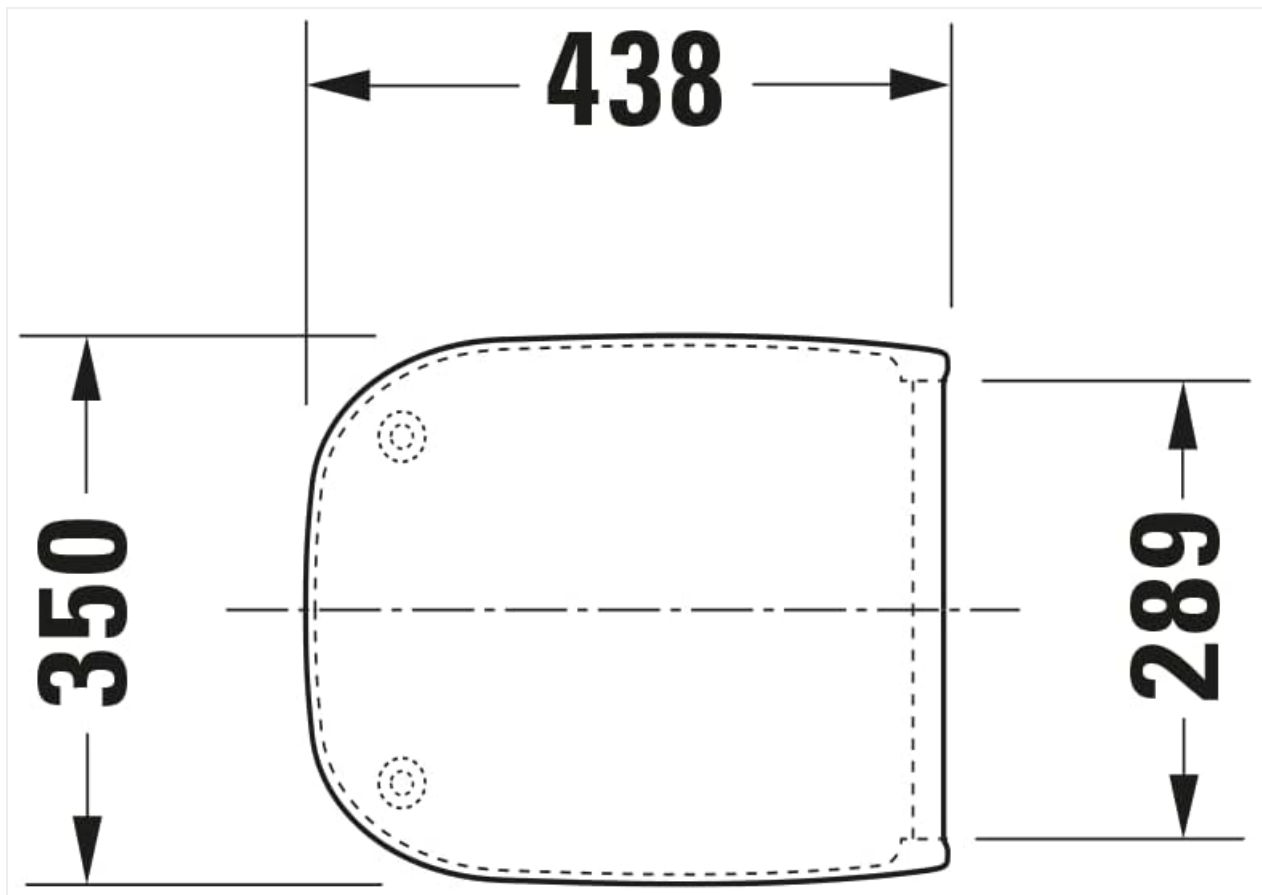

Image 4.1: Dimensional drawing of the Duravit D-Code Compact toilet seat (measurements in mm).

#### Installation Steps:

1. **Prepare the WC:** Ensure the toilet bowl is clean and dry where the seat will be mounted. Remove any old toilet seat and hardware.
2. **Position the Hinges:** Insert the hinge posts into the mounting holes on the toilet bowl. The stainless steel hinges are designed for durability.
3. **Secure from Below:** From underneath the toilet bowl, attach the washers and nuts to the hinge posts. Tighten them securely, but do not overtighten, to avoid damaging the ceramic.
4. **Attach the Seat:** Align the toilet seat with the hinge posts and press down firmly until it clicks into place. Some models may require screwing the seat onto the hinges.
5. **Test Stability:** Gently try to move the seat to ensure it is firmly attached and does not wobble. Adjust tightness if necessary.

## 5. OPERATING (USAGE)

Your Duravit D-Code Compact toilet seat features a soft-closing mechanism for enhanced comfort and durability.

Soft-Close Mechanism:

- To close the seat or lid, simply push it down gently. The integrated soft-close mechanism will engage, allowing the seat and lid to lower slowly and silently without slamming.
- Avoid forcing the seat or lid down, as this can damage the soft-close mechanism over time.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Duravit toilet seat.

Cleaning Instructions:

- The toilet seat is made of high-quality urea thermoset, which is durable, easy-care, dust-, water-, and dirt-repellent, antistatic, and UV light-resistant.
- Clean the seat and lid regularly with a soft cloth and mild, non-abrasive cleaning agents.
- Do not use harsh chemicals, abrasive pads, or scouring powders, as these can scratch the surface or damage the material.
- For the stainless steel hinges, wipe with a damp cloth and dry thoroughly to prevent water spots.
- Ensure no cleaning agents come into contact with the soft-close mechanism, as this could impair its function.

7. TROUBLESHOOTING

If you encounter issues with your toilet seat, refer to the following common problems and solutions:

- **Seat is Loose:** Check the mounting nuts underneath the toilet bowl. Tighten them securely, ensuring not to overtighten.
- **Soft-Close Mechanism Not Working Properly:** Ensure the hinges are clean and free from debris. Avoid forcing the lid or seat down, as this can strain the mechanism. If the issue persists, contact customer support.
- **Seat Does Not Fit:** Verify that your toilet bowl is a Duravit D-Code ceramic series, Compact version. Refer to the dimensions provided in Section 4 and compare them with your WC.

8. SPECIFICATIONS

Feature	Detail
Brand	Duravit
Model	D-Code 673900
Part Number	67390099
Material	Urea Thermoset (Plastic)
