Hinkley Somerset Small Pendant Light (Model 3407HB) Instruction Manual

Heritage Brass Finish with Etched Opal Glass

1. INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Hinkley Somerset Small Pendant Light, Model 3407HB. Please read all instructions carefully before beginning installation and retain this manual for future reference.

The Hinkley Somerset Small Pendant Light features an elegant design with an etched opal glass globe suspended within a vintage-inspired metal yoke frame. It is dry rated, making it suitable for indoor spaces such as kitchens, dining areas, foyers, or living rooms.

2. SAFETY INFORMATION

WARNING: RISK OF ELECTRIC SHOCK. Disconnect power at the circuit breaker or fuse box before installation or servicing.

- All wiring must be in accordance with national and local electrical codes.
- If you are unsure about wiring, consult a qualified electrician.
- Ensure the fixture is properly grounded.
- Do not exceed the maximum wattage specified for the light bulb.
- This fixture is dry rated for indoor use only. Do not expose to moisture.

3. WHAT'S IN THE BOX

Your Hinkley Somerset Small Pendant Light package includes:

- Pendant Light Fixture (Model 3407HB)
- Etched Opal Glass Shade
- Mounting Hardware
- Down Rods (for adjustable height)
- Instruction Manual

4. SETUP AND INSTALLATION

Professional installation is recommended. Follow these general steps for installation:

4.1. Preparation

1. Turn off power at the circuit breaker.
2. Carefully unpack the fixture and components.
3. Review the included wiring diagram.

4.2. Mounting the Fixture

The pendant light is designed for ceiling installation and is compatible with sloped ceilings. Use the provided down rods to adjust the hanging height to your desired length. Ensure the mounting surface can support the weight of the fixture (approximately 5 pounds).

4.3. Wiring

1. Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground).
2. Secure all connections with wire nuts and electrical tape.

4.4. Attaching the Shade

Carefully attach the etched opal glass shade to the fixture according to the specific instructions in the included manual. Ensure it is securely fastened.

5. OPERATING INSTRUCTIONS

Your Hinkley Somerset Small Pendant Light is designed for ease of use.

- **Power Source:** The fixture is hardwired and operates on 120 Volts.
- **Light Source:** Uses an incandescent light source.
- **Wattage:** Supports a maximum compatible wattage of 100 Watts.

- **Dimmable:** The fixture is dimmable, allowing you to adjust the light intensity with a compatible dimmer switch (not included).
- **Control Method:** The control method is typically via a wall switch. The product specifications mention 'Touch' control, which refers to the type of switch it can be connected to, not an integrated touch sensor on the fixture itself.

6. MAINTENANCE

To ensure the longevity and appearance of your pendant light, follow these maintenance guidelines:

- **Cleaning:** Dust the fixture regularly with a soft, dry cloth. For the glass shade, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish or glass.
- **Bulb Replacement:** Ensure power is off before replacing the light bulb. Allow the bulb to cool completely before handling. Use only bulbs that meet the specified wattage and type.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.

7. TROUBLESHOOTING

If you encounter issues with your pendant light, refer to the following common troubleshooting steps:

- **Light does not turn on:**
 - Check the circuit breaker to ensure power is on.
 - Verify the light bulb is correctly installed and not burnt out.
 - Ensure all wiring connections are secure.
- **Light flickers:**
 - Check the light bulb for proper installation or damage.
 - If using a dimmer, ensure it is compatible with incandescent bulbs and functioning correctly.
- **Buzzing sound:**
 - This can sometimes occur with incompatible dimmer switches. Try a different dimmer or a standard switch.

If problems persist, contact Hinkley customer support or a qualified electrician.
