## Hot Wheels DMW90

# Hot Wheels DMW90 Sto & Go Nostalgic Service Center Instruction Manual

Model: DMW90

## INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Hot Wheels DMW90 Sto & Go Nostalgic Service Center playset. Please read these instructions carefully before use to ensure safe and enjoyable play.

**Safety Warning: Contains small parts. Not suitable for children under 36 months.**

## PRODUCT COMPONENTS

The Hot Wheels DMW90 Sto & Go Nostalgic Service Center includes the following items:

- 1 x Hot Wheels Sto & Go Service Center Playset
- 1 x Hot Wheels Toy Car
- Sticker Sheet (for detailing, if not pre-applied)

## SETUP INSTRUCTIONS

The Sto & Go playset is designed for quick setup and portability. No complex assembly is required.

1. **Unfolding the Playset:** Place the folded playset on a flat, stable surface. Gently unlatch the side clips (if present) and unfold the two halves of the playset. The playset will expand to reveal the service center layout.
2. **Securing the Structure:** Ensure all connecting parts click into place securely to form a stable play environment. Some sections may pop up automatically.
3. **Applying Stickers (if applicable):** If your playset includes a sticker sheet, carefully apply the stickers to the designated areas as shown in the packaging or product images to enhance the service center details.

Figure 2: The playset in its fully assembled state, ready for play.

## OPERATING INSTRUCTIONS

The Hot Wheels Sto & Go Service Center offers various interactive play features:

- **Driving and Racing:** Place your Hot Wheels cars at the top of the ramps and let them race down through the multi-level service center. The playset features various track sections and turns.

- **Service Bays:** Utilize the designated service bays for car maintenance. Some bays may include movable lifts or repair tools for imaginative play.
- **Fueling Station:** The playset includes a fueling station with pumps for simulated car refueling.
- **Connecting to Other Tracks:** The Sto & Go playset is designed to connect with other Hot Wheels orange track pieces (sold separately) at various connection points, allowing for expanded play configurations.

Figure 4: Example of track connection point for expanding the playset.

## MAINTENANCE

To ensure the longevity and cleanliness of your Hot Wheels Sto & Go playset:

- **Cleaning:** Wipe the playset with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or decals.
- **Inspection:** Periodically inspect the playset for any loose or damaged parts. Discontinue use if any significant damage is found and contact customer support.

## STORAGE AND PORTABILITY

The Sto & Go playset is designed for convenient storage and transport:

1. **Folding:** Ensure all cars and loose accessories are removed from the playset. Gently fold the playset back into its compact, case-like form. Secure any latches.
2. **Carrying:** Use the integrated handle to carry the folded playset. It can store a collection of Hot Wheels cars inside when folded.

## TROUBLESHOOTING

---

If you encounter any issues during play, consider the following:

- **Cars not moving smoothly:** Ensure the track sections are clean and free of debris. Check that all track connections are secure and properly aligned.
- **Playset not folding/unfolding correctly:** Verify that no parts are obstructed or misaligned. Apply gentle, even pressure. Do not force components.
- **Missing parts:** Refer to the "Product Components" section. If any essential parts are missing upon unboxing, contact customer support.

## SPECIFICATIONS

---
