1. **Select Ear Tips:** Choose the ear tips that provide the best seal and comfort for your ears. Different sizes are usually included.
2. **Identify Left and Right:** The earphones are marked for left (L) and right (R) ears. Ensure you place them correctly.
3. **Over-Ear Cable Routing:** Gently loop the earphone cable over the top of your ear, then insert the ear tip into your ear canal. Adjust until a comfortable and secure fit is achieved.

2. Connecting to Your Device

Connect the 3.5mm audio jack of the earphones into the headphone port of your smartphone, tablet, or audio player. Ensure the connection is firm.

OPERATING INSTRUCTIONS

The AWEI KZ-ATE earphones feature an in-line control for managing audio and calls.

Music Playback

- Play/Pause:** Press the multi-function button once.
- Next Track:** Press the multi-function button twice quickly.
- Previous Track:** Press the multi-function button three times quickly.

Call Management

- Answer/End Call:** Press the multi-function button once during an incoming call or an active call.
- Reject Call:** Press and hold the multi-function button for approximately 2 seconds during an incoming call.

Volume Control

Volume is typically controlled directly from your connected audio device. If your specific model includes dedicated volume buttons on the in-line control, use them to adjust the audio level.

MAINTENANCE

- Cleaning:** Regularly clean the ear tips with a soft, dry cloth. For deeper cleaning, remove the ear tips and wash them with mild soap and water, ensuring they are completely dry before reattaching.
- Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent internal damage. When storing, coil the cable loosely.
- Storage:** Store your earphones in a clean, dry place, away from extreme temperatures and direct sunlight.
- Water Exposure:** While sweatproof and splashproof, avoid submerging the earphones in water. Dry them thoroughly if they become wet.
