IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before setup and use. Failure to follow these safety instructions may result in serious injury or property damage and will void your warranty.

- Ensure all Pro Mini Hoop components are present and undamaged before assembly. Do not use the product if any parts are missing, damaged, or broken.
- Always check for wear and tear before each use. Discontinue use if any damage is found.
- **CAUTION:** Do not hang on the rim. Hanging on the rim can cause damage to the product or personal injury.
- **CAUTION:** Before use, ensure the backboard is securely mounted.

For detailed installation and safety guidelines, refer to the official [Installation Manual \(PDF\)](#).

SETUP AND INSTALLATION

The SKLZ Pro Mini Basketball Hoop is designed for easy setup over most standard doors. Follow these general steps, and refer to the official Installation Manual for detailed diagrams and instructions.

1. **Assemble Rim and Backboard:** Attach the pro-grade steel rim to the clear polycarbonate backboard using the provided hardware. Ensure all bolts and nuts are securely tightened.
2. **Attach the Net:** Secure the 30-ply nylon net to the rim's metal loops.
3. **Mount to Door:** Place the foam-padded slide-on door mounts over the top edge of any standard door. The padding protects the door surface.
4. **Secure Backboard:** Ensure the backboard hangs securely and is stable before use.

For visual guidance and precise assembly steps, please consult the [Installation Manual \(PDF\)](#).

OPERATING INSTRUCTIONS

The SKLZ Pro Mini Basketball Hoop is designed for indoor play and skill development. Use the included 5-inch rubber basketball for optimal performance.

- **Shooting Practice:** Practice your shooting skills from various distances and angles. The pro-grade steel rim provides an authentic feel.
- **Dunking:** The spring-action break-away rim is designed to withstand dunking. Use caution and avoid hanging on the rim to prevent injury or damage.
- **Portability:** Easily move the hoop from one door to another as needed. The compact design allows for convenient storage.

MAINTENANCE

- **Cleaning:** Wipe the backboard and rim with a damp cloth to remove dust and dirt. Avoid

abrasive cleaners.

- **Net Care:** The 30-ply nylon net is durable. If it becomes excessively worn or damaged, replacement nets can be purchased from SKLZ or authorized retailers.
- **Hardware Check:** Periodically check all bolts and nuts to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Storage:** When not in use for extended periods, store the hoop in a dry, cool place away from direct sunlight to prolong its lifespan.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Hoop feels unstable or wobbly.	Loose mounting or assembly hardware.	Ensure all bolts and nuts are securely tightened. Verify the door mounts are properly seated on the door.
Door does not close properly with hoop installed.	Incorrect positioning or door frame interference.	Adjust the hoop's position on the door. The SKLZ Pro Mini Hoop is designed to allow most doors to close. If issues persist, check for obstructions.
Net is damaged or worn.	Normal wear and tear from use.	Replace the net. Contact SKLZ customer support or visit their website for replacement parts.
