# QUAY HIGH KEY Classic Oversized Aviator Sunglasses Instruction Manual

Model: QC-000142

---

## INTRODUCTION

---

Welcome to your new QUAY HIGH KEY Classic Oversized Aviator Sunglasses. These sunglasses feature a durable metal frame and polycarbonate lenses designed to provide 100% UV protection. They are equipped with stainless steel hinges and a Cat.3 lens for optimal sun protection.

## PRODUCT OVERVIEW

---

### Key Features:

- Metal frame construction
- Polycarbonate lenses with 100% UV protection
- Stainless steel hinges
- Cat.3 lens for high sun glare reduction
- Oversized aviator design

### Components:

- Sunglasses frame
- Lenses
- Nose pads
- Temple arms
- Protective case (included)
- Cleaning cloth (included)

## INITIAL SETUP AND INSPECTION

---

Upon receiving your QUAY HIGH KEY sunglasses, carefully remove them from the packaging. Inspect the frame and lenses for any signs of damage. A protective case and cleaning cloth are included to help maintain your sunglasses.

## OPERATING INSTRUCTIONS

---

### Wearing Your Sunglasses:

Gently unfold the temple arms and place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge. The oversized design provides broad coverage.

### UV Protection:

The polycarbonate lenses offer 100% UV protection, shielding your eyes from harmful UVA and UVB rays. These are Cat.3 lenses, suitable for general purpose use and high sun glare reduction.

## CARE AND MAINTENANCE

---

### Cleaning:

To clean your sunglasses, use the provided soft, dry cleaning cloth. For more thorough cleaning, lightly dampen the cloth with water and a mild, non-abrasive soap. Gently wipe the lenses and frame, then dry with a clean, soft cloth. Avoid using paper towels or harsh chemicals, as these can scratch the lenses or damage the frame.

### Storage:

Always store your sunglasses in the protective case when not in use. This prevents scratches, dust accumulation, and accidental damage. Avoid leaving sunglasses in direct sunlight for extended periods, especially in hot environments like a car dashboard, as extreme heat can warp the frame or damage the lens coatings.

## TROUBLESHOOTING

---

### Loose Screws:

If the hinges feel loose, a small eyewear repair kit (not included) can be used to gently tighten the screws. Do not overtighten.

### Smudged Lenses:

Persistent smudges can often be removed with a proper cleaning solution designed for eyewear and a microfiber cloth. Refer to the cleaning instructions above.

### Improper Fit:

The nose pads are adjustable. If the fit is uncomfortable, gently adjust the nose pads to achieve a more secure and comfortable position. If issues persist, consult an eyewear professional.

## PRODUCT SPECIFICATIONS

---

Feature	Detail
---------	--------

Feature	Detail
Model Number	QC-000142
Frame Material	Metal
Lens Material	Polycarbonate
UV Protection	100% UVA/UVB
