YouOKLight YK0004

YouOKLight YK0004 E26 Full Color Rotating LED Strobe Bulb

Instruction Manual

Introduction

Thank you for choosing the YouOKLight YK0004 E26 Full Color Rotating LED Strobe Bulb. This product is designed to create dynamic, colorful lighting effects for various indoor settings. Please read this manual carefully before installation and use to ensure proper operation and safety.

Safety Information

- **Indoor Use Only:** This product is designed for indoor use. Do not expose to water or high humidity.
- **Voltage Compatibility:** Ensure your power supply is compatible with the bulb's voltage requirements (100-240V, 50-60Hz).
- **Installation:** Always turn off the power to the fixture before installing or removing the bulb.
- **Handling:** Handle the bulb with care. Avoid dropping or subjecting it to strong impacts.
- **Heat:** While LED bulbs generate less heat than traditional bulbs, ensure adequate ventilation around the fixture.
- **Eye Safety:** Do not stare directly into the light source for extended periods, as it may cause eye strain.
- **Disposal:** These LED lights do not contain mercury and do not require special disposal procedures. Dispose of them according to local electronic waste guidelines.

Package Contents

- YouOKLight YK0004 E26 Full Color Rotating LED Strobe Bulb (quantity as purchased, e.g., 3-pack)

Note: Additional accessories may vary based on the specific product package.

Specifications

Feature	Specification

Brand	YouOKLight
Model Name	YK0004
Light Type	LED
Wattage	3 watts
Bulb Base	E26 Medium
Voltage	100-240 Volts, 50-60 Hertz
Light Color	RGB (Red, Green, Blue)
Material	Acrylonitrile Butadiene Styrene (ABS), Crystal
Product Dimensions	3.15"W x 5.9"H
Item Weight	5.8 ounces
Certifications	CE, FCC, RoHS
Usage	Indoor

Setup

1. Unpacking

Carefully remove the LED strobe bulb from its packaging. Inspect the bulb for any visible damage. If any damage is found, do not proceed with installation and contact customer support.

2. Installation

1. **Power Off:** Ensure the power to the light fixture is turned off at the switch or circuit breaker before installation.
2. **Screw In:** Gently screw the YouOKLight YK0004 bulb into a standard E26 medium screw base socket. Do not overtighten.
3. **Orientation:** For optimal rotating light effects, ensure the bulb is installed in a fixture where it can hang straight down or be positioned upright. If installed at an angle, the rotating mechanism may not function correctly.

Operating Instructions

1. Power On

Once the bulb is securely installed, turn on the power to the light fixture. The bulb will automatically illuminate and begin rotating, projecting multi-colored light patterns.

2. Light Effects

The YouOKLight YK0004 bulb features red, blue, and green LEDs that combine to create a full-color spectrum. The crystal dome rotates automatically, producing a dynamic strobe effect similar to a traditional disco ball. The light patterns will continuously change and move across surfaces.

3. Power Off

To turn off the bulb, simply switch off the power to the light fixture.

Maintenance

- **Cleaning:** Ensure the bulb is powered off and cool before cleaning. Wipe the surface with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** If storing the bulb for an extended period, keep it in its original packaging in a cool, dry place.
- **No User-Serviceable Parts:** The bulb contains no user-serviceable parts. Do not attempt to disassemble or repair it.

Troubleshooting

- **Bulb does not light up:**
  - Ensure the bulb is securely screwed into the socket.
  - Verify that the light fixture has power. Test with another working bulb if necessary.
- **Rotation is inconsistent or stops:**
  - Check the bulb's orientation. It performs best when installed vertically (straight up or down).
  - Ensure there are no obstructions preventing the crystal dome from rotating freely.
- **Light output is dim or colors are incorrect:**
  - This is unlikely with LED technology, but if observed, ensure the bulb is receiving adequate power.
  - Clean the crystal dome to remove any dust or debris that might be affecting light projection.

If you experience issues not covered here, please contact customer support.

Warranty

Please refer to the retailer's return policy or contact YouOKLight customer support for specific warranty information regarding this product. General consumer rights apply.

Support

For further assistance or inquiries, please visit the YouOKLight Store or contact the manufacturer, Guangdong Jinweihuan Lighting Technology Co.,Ltd.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
