Dimensions:

Image 2.1: Technical drawing showing the dimensions of the handset. Overall length approximately 240mm, head diameter 108mm, and depth 101.5mm.

All measurements are approximate and for reference only. Please refer to the technical data sheet for precise details.

3. SETUP AND INSTALLATION

This shower handset is designed for easy installation and is compatible with all standard plumbing systems. For optimal performance, ensure your plumbing system meets the minimum pressure requirement of 0.2 bar.

Installation Steps:

1. **Preparation:** Ensure the water supply to your shower system is turned off before beginning installation.
2. **Remove Old Handset (if applicable):** Unscrew your existing shower handset from the shower hose.
3. **Attach New Handset:** Screw the Bristan CAS HAND03 C handset onto your shower hose. Ensure a tight, secure connection to prevent leaks. Hand-tightening is usually sufficient, but a wrench can be used gently if needed, taking care not to overtighten.
4. **Check for Leaks:** Turn on the water supply and check for any leaks at the connection point. If leaks occur, tighten the connection slightly.
5. **Test Functions:** Test all three spray functions to ensure proper operation.

Note: If you are unsure about any part of the installation process, it is recommended to consult a qualified plumber.

4. OPERATING INSTRUCTIONS

The Bristan CAS HAND03 C handset features three distinct spray functions, allowing you to customize your showering experience. To switch between functions, simply rotate the spray plate or use the selector button/lever on the handset.

Image 4.1: The handset producing a wide, full spray pattern, ideal for general showering.

Image 4.2: The handset producing a narrower, more focused spray, suitable for rinsing.

Image 4.3: The handset producing a concentrated, powerful jet spray, useful for targeted cleaning or massage.

Image 4.4: A hand demonstrating how to adjust the spray pattern on the handset.

Experiment with each function to find the one that best suits your needs for different showering tasks.

5. MAINTENANCE

Regular cleaning and maintenance will ensure the longevity and optimal performance of your Bristan shower handset.

Cleaning the Handset:

- **Chrome Finish:** Clean the chrome finish regularly with a soft cloth and warm soapy water. Avoid abrasive cleaners, scourers, or chemical cleaning agents, as these can damage the finish.
- **Rub Clean Nozzles:** The handset features 'Rub Clean' nozzles. To remove limescale build-up, simply rub the silicone nozzles with your finger or a soft cloth while water is flowing. This helps maintain a consistent spray pattern.

and prevents blockages.

- **Deep Cleaning:** For stubborn limescale, a mild descaling solution designed for bathroom fixtures can be used, but always follow the manufacturer's instructions and rinse thoroughly immediately after application.

Always ensure the handset is thoroughly rinsed with clean water after cleaning to remove any cleaning product residue.

6. TROUBLESHOOTING

If you encounter any issues with your Bristan CAS HAND03 C shower handset, please refer to the common troubleshooting tips below. For more complex problems, it is advisable to contact Bristan customer support or a qualified plumber.

Problem	Possible Cause	Solution
Reduced Water Flow / Uneven Spray	Limescale build-up in nozzles.	Rub the 'Rub Clean' nozzles to dislodge limescale. Clean the handset as per maintenance instructions.
Leaking from Connection	Loose connection to shower hose or worn washer.	Ensure the handset is securely tightened to the hose. Check the washer inside the hose connection and replace if damaged.
Difficulty Changing Spray Function	Mineral deposits or debris obstructing the mechanism.	Clean the spray plate and surrounding areas thoroughly. If the issue persists, contact support.

7. WARRANTY AND SUPPORT

Bristan is committed to providing high-quality products and excellent customer service. Your Bristan CAS HAND03 C shower handset is backed by Bristan's comprehensive support.

Bristan After-Sales Support:

Bristan offers award-winning after-sales support. Whether you need product advice, customer service assistance, or require a spare part or service engineer visit, Bristan is available to help.
