

# COGO Princess Carriage Building Set 3267 Instruction Manual

## 1. INTRODUCTION

Thank you for choosing the COGO Princess Carriage Building Set, model 3267. This 98-piece construction toy allows children to build a beautiful princess carriage complete with horses and doll figures. This manual provides essential information for assembly, safe use, maintenance, and troubleshooting to ensure an enjoyable experience.

The set is designed to inspire creativity and develop fine motor skills through engaging construction play.

## 2. SAFETY INFORMATION

- **Recommended Age:** This product is recommended for children aged 6 years and up.
- **Small Parts Warning:** The set contains small particles which pose a choking hazard. Children under 3 years of age are prohibited from using this product.
- **Material Safety:** All components are made from ABS non-toxic material.
- **Supervision:** Adult supervision is recommended during assembly and play, especially for younger children.

## 3. SETUP AND ASSEMBLY

Follow the included pictorial instructions carefully for correct assembly. Each step is clearly illustrated to guide you through the building process.

1. **Unpack Components:** Carefully open the packaging and lay out all 98 pieces. Verify that all parts are present before beginning assembly.
2. **Follow Manual Steps:** Assemble the blocks by strictly following the sequential steps provided in the instruction manual. Incorrect assembly can lead to parts appearing to be missing or the structure being unstable.
3. **Firm Connections:** Ensure all building blocks are firmly connected to maintain the structural integrity of the carriage and horses.

4. **Timely Assembly:** It is advisable to complete the assembly within 2-3 days of receiving the product to prevent loss of small parts.

## 5. MAINTENANCE

- **Cleaning:** The building blocks can be washed or cleaned using warm water (up to 45 °C).
- **Storage:** Store the product away from high-temperature environments to improve its service life and prevent material deformation.
- **Part Retention:** Keep all parts in a safe place when not in use to avoid loss.

## 6. TROUBLESHOOTING

- **Missing Parts:** If you find any parts missing, please re-check the packaging and assembly steps. If parts are genuinely missing, contact customer support promptly for assistance.
- **Assembly Difficulties:** If the blocks do not fit together or the structure is unstable, review the assembly instructions carefully. Ensure each block is oriented correctly and pressed firmly into place.
