2. SAFETY INFORMATION

Please read all safety information before assembly and use of this product.

- **WARNING: CHOKING HAZARD - Small parts.** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during play.
- The building bricks are made from high-quality, non-toxic ABS material, ensuring safety during use.
- Keep all packaging materials away from children to prevent suffocation hazards.
- Do not put any parts in the mouth.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 62 x Assorted Building Bricks (for carriage, horse, and accessories)
- 1 x Doll Figure
- 1 x Instruction Manual (this document)

If any parts are missing or damaged, please contact COGO customer support.

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your COGO Girls Princess Carriage:

1. **Unpack Components:** Carefully remove all building bricks and the doll figure from the packaging. Sort the pieces by color or type to facilitate assembly.
2. **Refer to Visual Guide:** Use the provided visual instructions (if included in the physical package) or the product images as a guide for piece placement. The bricks are designed for high-precision fitting, ensuring a secure and stable structure.
3. **Build the Base:** Start by constructing the base of the carriage, ensuring the wheel axles are correctly positioned.
4. **Assemble the Body:** Attach the side panels, seating area, and decorative elements to the base.
5. **Add Wheels:** Securely attach the four wheels to the carriage axles. The wheels are designed to rotate 360 degrees.
6. **Construct the Horse:** Assemble the horse figure, paying attention to the adjustable head mechanism.
7. **Connect Horse to Carriage:** Attach the assembled horse to the front of the carriage using the designated connection points.
8. **Place Doll:** Position the doll figure in the carriage seat.
9. **Final Checks:** Ensure all pieces are firmly connected. The finished structure should be robust and not easily fall apart.

5. OPERATING INSTRUCTIONS (PLAY GUIDE)

Once assembled, the COGO Princess Carriage offers several interactive features:

- **Moving Carriage:** The carriage is designed to move smoothly on its wheels, allowing for imaginative play scenarios.
- **Rotating Wheels:** All four wheels can rotate 360 degrees, providing flexibility in movement.
- **Adjustable Horse Head:** The horse's head can be adjusted to different angles, adding to the play experience.
- **Doll Interaction:** The doll figure can be placed in and removed from the carriage, encouraging role-playing.

6. MAINTENANCE

To ensure the longevity and cleanliness of your COGO Princess Carriage:

- **Cleaning:** Wipe the building bricks and doll figure with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled carriage or individual bricks in a clean, dry place away from direct sunlight and extreme temperatures.
- **Disassembly:** The bricks are designed to be easily dismantled if you wish to store them compactly or rebuild.

7. TROUBLESHOOTING

If you encounter any issues during assembly or play:

- **Difficulty Assembling:** Ensure you are using the correct pieces as indicated by the visual guides. Apply gentle, firm pressure to connect bricks.
- **Loose Connections:** If parts feel loose, check that they are fully pressed together. The high-precision design ensures a tight fit when correctly assembled.

- **Missing Parts:** Double-check the packaging and surrounding area for any small pieces. If a part is genuinely missing, please contact customer support.
