CELLA WJ-57081

Cella Milano Beard Oil 50ml User Manual

Model: WJ-57081

PRODUCT OVERVIEW

The Cella Milano Beard Oil is an essential daily treatment designed for comprehensive beard and mustache care. Formulated with natural oils and enriched with Vitamin E, it aims to strengthen beard hair from soft to coarse textures. This proprietary formulation is rapidly absorbed by the skin, leaving the beard shiny and delicately scented without an oily residue. Regular use helps reduce the likelihood of beardruff, itching, and irritation, while conditioning both the beard and the skin underneath.

HOW TO USE?

STEP 1

WARM THE OIL

Rub a few drops between your hands to activate it.

STEP 2

APPLY TO BEARD

Massage evenly into the beard and skin beneath.

STEP 3

STYLE AND SHINE

Smooth for a soft, shiny, and scented finish.

OPERATING INSTRUCTIONS

Follow these steps for optimal application and results:

1. **Step 1: Dispense Oil.** Apply a few drops of Cella Milano Beard Oil onto the palm of your hand. The exact amount may vary based on beard length and thickness.
2. **Step 2: Warm the Oil.** Rub your hands together gently to warm the oil. This helps to activate its properties and ensures even distribution.
3. **Step 3: Apply to Beard.** Massage the oil thoroughly into your beard, starting from the roots and working your way down to the tips. Ensure the oil reaches and moisturizes the skin underneath the beard to prevent dryness and irritation. Do not forget to apply to the mustache area.
4. **Step 4: Style.** Use a comb or brush to distribute the oil evenly throughout your beard and style as desired. The oil will help soften and shape your beard without making it feel greasy.
5. **Step 5: Repeat as Needed.** For best results, incorporate this into your daily grooming routine.

MAINTENANCE

To maintain the quality of your beard and the effectiveness of the oil:

- **Regular Cleaning:** Wash your beard regularly with a dedicated beard shampoo to remove dirt and product buildup.
- **Consistent Application:** Apply the beard oil daily to keep your beard moisturized, soft, and healthy.
- **Storage:** Store the Cella Milano Beard Oil in a cool, dry place away from direct sunlight to preserve its natural ingredients.
- **Trimming:** Trim your beard periodically to remove split ends and maintain its shape.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Beard feels too oily after application.	Too much oil applied, or not properly distributed.	Reduce the amount of oil used. Ensure you rub it thoroughly between your hands and distribute it evenly throughout the beard and skin.
Beard still feels dry or itchy.	Insufficient application, or inconsistent use.	Ensure the oil reaches the skin beneath the beard. Apply daily. Consider increasing the amount slightly if beard is very long or thick.
Product scent is too subtle or not noticeable.	The product is designed with a subtle fragrance.	The subtle fragrance is intentional. If a stronger scent is desired, consider pairing with other scented beard products from the Cella Milano range.

SPECIFICATIONS

Product Name: Cella Milano Beard Oil

Model Number: WJ-57081

Brand: CELLA

Liquid Volume: 50 Milliliters (1.69 fl oz)

Item Form: Oil

Product Benefits: Softening, Shine, Conditioning, Taming, Reduces Itch/Irritation

Hair Type: Suitable for various beard types, including fine.

Scent Name: Perfume (subtle fragrance)

Material Type Free: Talcum Free
