Nutricost ZL08081

Nutricost Folic Acid (Vitamin B9) 1000 mcg, 240 Capsules User Manual

Model: ZL08081

INTRODUCTION

This manual provides essential information for the safe and effective use of Nutricost Folic Acid (Vitamin B9) 1000 mcg capsules. Please read this manual thoroughly before using the product and retain it for future reference. Nutricost Folic Acid is a dietary supplement providing 1000 mcg of Vitamin B9 per capsule, designed to support general wellness.

IMPORTANT SAFETY INFORMATION

Warning: For healthy individuals 18 years and older. Consult a healthcare professional prior to use if you are pregnant or nursing, taking medication, or have a medical condition. Side effects of folic acid are rare but may include nausea, bloating, redness, skin rash, and itching. Do not exceed recommended dosage. Discontinue use if you experience any unwanted side effects. Keep out of reach of children. Do not use if safety seal is broken or missing.

Notice: Store in a cool, dry place.

STORAGE AND MAINTENANCE

Store the product in a cool, dry place. Ensure the safety seal is intact before first use. Keep the bottle tightly closed when not in use to maintain product integrity.

TROUBLESHOOTING

If you experience any unwanted side effects such as nausea, bloating, redness, skin rash, or itching, discontinue use immediately and consult a healthcare professional. If the safety seal is broken or missing upon receipt, do not use the product and contact customer support.
