Operating (Display Guidelines)

While this is a static display figure, proper handling ensures its longevity and appearance.

- **Handling:** Always handle the figure by its main body or base. Avoid touching delicate parts such as hair, fingers, or accessories to prevent damage or paint transfer from skin oils.

- **Environment:** Keep the figure in a clean, dust-free environment. Avoid placing it near heat sources, open windows, or areas with significant temperature fluctuations.

Maintenance

- **Dusting:** Gently dust the figure regularly using a soft, dry brush (such as a clean makeup brush or a dedicated figure dusting brush) or a can of compressed air held at a safe distance. Avoid abrasive materials.
- **Cleaning:** For stubborn dirt, lightly dampen a soft cloth with plain water (distilled water is preferred) and gently wipe the affected area. Do not use harsh chemicals, solvents, or abrasive cleaners, as these can damage the paint or material.
