Package Contents

Verify that all components are present before beginning assembly. The package should contain:

- Buildable Ghost vehicle components with Banished decoration details.
- One highly detailed, super-poseable Banished Brute micro action figure.
- Detachable armor pieces for the Brute figure.
- One Brute Shot weapon accessory.
- Instruction booklet (this document).
- Approximately 90 building blocks in total.

Assembly Instructions

Follow the steps below to assemble your building set. Refer to the included visual guide for detailed piece placement.

1. **Unpack Components:** Carefully remove all building blocks and figure parts from the packaging. Organize them by color and shape to facilitate assembly.
2. **Assemble the Banished Ghost:** Begin by constructing the base of the Ghost vehicle. Connect the larger red and gray pieces first, then add the smaller detail pieces, including the deluxe printed

insignia. Ensure all connections are secure.

3. **Assemble the Banished Brute Figure:** Attach the head, torso, arms, and legs to form the basic figure.
4. **Apply Figure Armor:** Utilize the interchangeable armor system to equip the Banished Brute figure with its detachable armor pieces. These include chest armor, shoulder pads, and leg armor.
5. **Attach Weapon:** Provide the Brute figure with its Brute Shot weapon accessory. The figure's hands are designed to securely hold the weapon.
6. **Position Figure:** Place the assembled Banished Brute figure into the cockpit of the Ghost vehicle.

Operating Instructions

Once assembled, the Mega Construx Halo Banished Ghost Rush Building Set is ready for interactive play.

- **Figure Poseability:** The Banished Brute micro action figure features multiple points of articulation, allowing for various poses and dynamic action scenes. Adjust its limbs and head to create different stances.
- **Vehicle Movement:** The Ghost vehicle is designed for imaginative play. It can be moved manually across surfaces.
- **Weapon Interaction:** The Brute Shot accessory can be held by the figure and used in play scenarios.

Maintenance

To ensure the longevity of your building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the building blocks and figures with a soft, damp cloth. Avoid using harsh chemicals

or abrasive cleaners, as these may damage the plastic or printed details.

- **Storage:** Store the assembled set or individual pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping. Keep small pieces in a container to avoid loss.
- **Handling:** Handle the set with care to prevent pieces from breaking or detaching.

Troubleshooting

If you encounter any issues with your building set, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area for any small pieces that may have been overlooked. If a piece is genuinely missing, contact customer support.
- **Pieces Not Fitting:** Ensure you are using the correct pieces as indicated in the visual guide. Apply gentle, even pressure when connecting blocks. Avoid forcing pieces together.
- **Figure Stability:** If the figure is unstable, ensure all joints are properly connected and the armor is securely attached. Adjust its pose for better balance.
