SETUP AND ASSEMBLY

Follow the step-by-step pictorial instructions provided in the included LEGO building guide. Ensure all pieces are accounted for before beginning assembly. Sort pieces by color and size to facilitate the building process.

1. **Unpack Components:** Carefully open the packaging and separate the numbered bags of LEGO bricks.
2. **Follow Instructions:** Refer to the building instruction booklet. Each step illustrates which pieces are needed and how they connect.
3. **Assemble the Truck:** Begin with the police truck's cab, then proceed to the mobile command unit trailer.
4. **Assemble Vehicles:** Construct the police motorcycle and the criminals' ATV.
5. **Assemble Minifigures:** Put together the police officers, criminals, and the police dog.

MAINTENANCE

To ensure the longevity of your LEGO set, follow these maintenance guidelines:

- **Cleaning:** Clean LEGO bricks with mild soap and water (max 40°C / 104°F). Rinse thoroughly and air dry. Do not use hot water, harsh chemicals, or abrasive materials.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Disassembly:** For long-term storage, the set can be carefully disassembled by reversing the building steps.

TROUBLESHOOTING

If you encounter any issues with your LEGO set, consider the following:

- **Missing Pieces:** Double-check all packaging and the building area. If a piece is genuinely missing, contact LEGO Customer Service.
- **Assembly Difficulties:** Review the instruction booklet carefully. Ensure you are using the correct pieces for each step. Sometimes, a small piece might be overlooked.
- **Loose Connections:** Ensure bricks are pressed firmly together. LEGO connections are designed to be secure.
