Adesso Home Eden Collection 3208-12 Floor Lamp Instruction Manual

Model: 3208-12 | Brand: Adesso

PRODUCT OVERVIEW

The Adesso Home Eden Collection 3208-12 Floor Lamp features a natural ash wood tripod base and a textured grey felt tapered drum shade. It includes a black and white fabric-covered cord and a 3-way rotary socket switch. This lamp is designed for indoor use and is compatible with smart outlets. Bulb is not included.

SETUP AND ASSEMBLY

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all components are present: tripod base, central pole, drum shade, and power cord.
2. **Assemble Tripod Base:** The tripod base typically comes pre-assembled or with minimal attachment required. Ensure the three legs are securely connected to the central pole.
3. **Attach Shade:** The drum shade is a 'slip uno' type. Securely fit the shade onto the base below the bulb socket.
4. **Install Bulb:** Insert an E26 Medium base bulb (not included) into the socket. The lamp supports up to 150W incandescent or an equivalent CFL bulb. For 3-way functionality, use a 3-way compatible bulb.
5. **Position Lamp:** Place the lamp on a flat, stable surface. The compact footprint makes it suitable for corners, entryways, or bedsides.
6. **Connect to Power:** Plug the black and white fabric-covered cord into a standard 120V electrical outlet.

OPERATING INSTRUCTIONS

- **Power On/Off:** The lamp is equipped with a 3-way rotary socket switch. Rotate the switch to cycle through light settings (low, medium, high) and off.
- **3-Way Bulb Functionality:** To utilize the 3-way light settings, a compatible 3-way light bulb must be installed. If a standard on/off bulb is used, the switch will function as a simple on/off control at its highest setting.
- **Smart Outlet Compatibility:** This lamp is compatible with smart outlets. When connected to a smart outlet, the lamp can be controlled remotely via the smart outlet's features. Ensure the lamp's rotary switch is set to the 'on' position for smart outlet control.

MAINTENANCE

- **Cleaning the Shade:** Gently dust the grey felt shade with a soft, dry cloth or a lint roller. Avoid using liquid cleaners, which may stain or damage the fabric.
- **Cleaning the Base:** Wipe the natural ash wood base with a soft, dry cloth. Do not use abrasive cleaners or harsh chemicals.
- **Bulb Replacement:** Always unplug the lamp before replacing the bulb. Allow the bulb to cool completely before handling.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	<ul style="list-style-type: none">• Lamp not plugged in.• Bulb is loose or burnt out.• Power outlet is not functioning.	<ul style="list-style-type: none">• Ensure the power cord is securely plugged into a working outlet.• Tighten the bulb or replace it with a new one.• Test the outlet with another device or check your circuit breaker.
3-way switch not working correctly.	<ul style="list-style-type: none">• Non-3-way bulb installed.• Faulty 3-way bulb.	<ul style="list-style-type: none">• Ensure a 3-way compatible bulb is installed.• Replace the 3-way bulb with a new one.
