RL LIVE YOUR LIGHT R40172001 Gravis

Reality Leuchten R40172001 Gravis Floor Lamp User Manual

Model: R40172001 Gravis | Brand: RL LIVE YOUR LIGHT

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your Reality Leuchten R40172001 Gravis Floor Lamp. Please read these instructions carefully before assembly and operation, and retain them for future reference.

Image 1.1: Front view of the Reality Leuchten R40172001 Gravis Floor Lamp, showcasing its white fabric shade and metal base.

2. IMPORTANT SAFETY INSTRUCTIONS

To reduce the risk of fire, electric shock, or injury, always follow basic safety precautions:

- Ensure the power supply is disconnected before assembly, disassembly, or cleaning.
- This lamp is designed for indoor use only (IP20 rating). Do not expose to moisture or wet conditions.
- Use only E27 base bulbs, with a maximum wattage of 40W per bulb. Do not exceed the recommended wattage.
- Do not operate the lamp with a damaged cord or plug. If damaged, contact qualified service personnel.
- Keep flammable materials away from the light source.

- Do not attempt to modify the lamp's structure or electrical components.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with assembly. If any parts are missing or damaged, contact customer support.

- Lamp Base (Metal)
- Lamp Shade (White Fabric)
- Support Frame for Shade
- Power Cable with Push-Button Switch
- Assembly Hardware (if applicable)
- Instruction Manual (this document)

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your floor lamp. It is recommended to assemble the lamp on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out.
2. **Assemble Lamp Base:** Attach the metal base components if they are separate. Ensure all connections are secure.
3. **Install Support Frame:** Secure the shade support frame to the lamp base.
4. **Attach Fabric Shade:** Carefully stretch the white fabric shade over the support frame. Ensure it is taut and evenly distributed for a smooth appearance.
5. **Insert Bulbs:** Screw two E27 base bulbs (not included) into the lamp sockets. Ensure they are fully seated but do not overtighten.
6. **Connect Power:** Plug the power cable into a suitable wall outlet.

5. OPERATING INSTRUCTIONS

The Reality Leuchten R40172001 Gravis Floor Lamp is simple to operate:

- **Power On/Off:** Locate the push-button switch on the power cable. Press the button once to turn the lamp on, and press it again to turn the lamp off.
- **Bulb Replacement:** Always disconnect the lamp from the power outlet before replacing bulbs. Allow bulbs to cool completely before handling. Replace with E27 base bulbs, maximum 40W each.

6. CARE AND MAINTENANCE

Regular cleaning and proper care will ensure the longevity and appearance of your lamp.

- **Cleaning the Shade:** The white fabric shade can be gently dusted with a soft, dry cloth. For minor stains, lightly dab

with a damp cloth and mild soap, then wipe with a clean, damp cloth and allow to air dry completely. Avoid harsh chemicals or abrasive cleaners.

- **Cleaning the Base:** Wipe the metal base with a soft, dry cloth. For smudges, a slightly damp cloth can be used, followed by immediate drying.
- **General Care:** Do not use liquid or aerosol cleaners directly on the lamp. Avoid placing the lamp in areas with high humidity or direct sunlight for extended periods, as this may affect the fabric.

7. TROUBLESHOOTING

If you encounter issues with your lamp, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
|------------------------|--|--|
| Lamp does not turn on. | <ul style="list-style-type: none">◦ Power cable not plugged in.◦ Bulbs are loose or burnt out.◦ Power outlet is not functioning. | <ul style="list-style-type: none">◦ Ensure the power cable is securely plugged into a live outlet.◦ Check and tighten bulbs. Replace burnt-out bulbs.◦ Test the outlet with another appliance. |
| Light flickers. | <ul style="list-style-type: none">◦ Loose bulb connection.◦ Incompatible bulb type. | <ul style="list-style-type: none">◦ Tighten bulbs.◦ Ensure bulbs are E27 base and compatible with the lamp's electrical system. |

If the problem persists after trying these solutions, please contact customer support.
