LITTLE TREES U1P10476

LITTLE TREES Cherry Blossom Honey Air Freshener Instruction Manual

Model: U1P10476

1. PRODUCT OVERVIEW

The LITTLE TREES Cherry Blossom Honey Air Freshener is designed to provide a long-lasting fragrance in various enclosed spaces such as cars, homes, and offices. This product features a light, fruity-floral blend of cherry blossoms and silky smooth honey, crafted from carefully selected ingredients.

- World-famous LITTLE TREES air fresheners.
- Long-lasting fragrance.
- Suitable for use in cars, homes, or offices.

2. SAFETY INFORMATION

Please read and follow these safety guidelines to ensure proper use and prevent potential hazards:

- **Hang Freely:** Always ensure the air freshener hangs freely and does not come into contact with any surfaces. Direct contact with surfaces may cause damage.
- **Avoid Product Contact:** Do not allow the air freshener to touch plastics, painted surfaces, leather, or fabrics.
- **Keep Away from Children:** This product is not a toy. Keep out of reach of children and pets.
- **Ingestion Warning:** Do not ingest. If ingested, seek medical attention immediately.
- **Skin/Eye Contact:** In case of skin or eye contact, rinse thoroughly with water.

With long-lasting fragrances, exceptional ingredients, and a relentless focus on quality, LITTLE TREES air fresheners have been freshening the world since 1952.

Hang freely! Avoid product contact with any surface. Keep away from children.

Avec des parfums durables, des ingrédients exceptionnels et une préoccupation constante pour la qualité, les désodorisants LITTLE TREES font souffler un vent de fraîcheur sur le monde depuis 1952.

Suspendez-le! Évitez le contact du produit avec des surfaces. Gardez hors de la portée des enfants.

Con fragancias de larga duración, ingredientes excepcionales y un enfoque implacable en la calidad, los aromatizantes LITTLE TREES han estado refrescando el mundo desde 1952.

¡Cuélguelos libremente! Evite el contacto del producto con cualquier superficie. Mantenga fuera del alcance de los niños.

3. SETUP AND OPERATING INSTRUCTIONS

Follow these steps to properly set up and use your LITTLE TREES air freshener:

1. **Open Top of Bag:** Carefully tear or cut the top portion of the plastic packaging.
2. **Pull Tree Out About 1 cm:** Gently pull the air freshener out of the bag by approximately 1 centimeter. Do not remove the entire air freshener from the bag at once.
3. **Expose Tree More or Less to Adjust Strength:** To control the fragrance intensity, gradually expose more of the air freshener from the bag over time. For a stronger scent, pull out more of the tree. For a lighter scent, expose less.
4. **Hang Freely:** Once the desired amount is exposed, hang the air freshener freely using its string. Ensure it does not touch any surfaces in your car, home, or office.

Image 3: Step-by-step visual guide for setting up and adjusting the air freshener's fragrance.

Image 4: Example of the air freshener properly hanging from a car's rearview mirror, demonstrating free suspension.

4. MAINTENANCE

The LITTLE TREES air freshener requires minimal maintenance. Its effectiveness diminishes over time as the fragrance dissipates.

- **Replacement:** Replace the air freshener when the fragrance is no longer noticeable or when you desire a fresh scent.
- **Disposal:** Dispose of used air fresheners according to local waste disposal guidelines.

5. TROUBLESHOOTING

If you experience issues with your air freshener, consider the following:

- **Weak Scent:** If the scent is too weak, pull more of the air freshener out of its plastic packaging to expose more surface area.
- **Overpowering Scent:** If the scent is too strong, consider pushing some of the air freshener back into its packaging or replacing it with a new one that is less exposed.
- **No Scent:** If there is no scent, the air freshener may have fully dissipated its fragrance and needs to be replaced.

6. SPECIFICATIONS

Model Number:	U1P10476
Brand:	LITTLE TREES
Manufacturer:	Car Freshener
Scent:	Cherry Blossom Honey
Item Form:	Hanging Paper (Cardboard)
Power Source:	Passive Diffusion
Product Dimensions (Packaging):	7.5 x 3 x 0.25 inches (19.05 x 7.62 x 0.635 cm)
