Sauder 420275

Sauder North Avenue Coffee Table (Model 420275)

Brand: Sauder | Model: 420275 | Finish: Charter Oak

PRODUCT OVERVIEW

The Sauder North Avenue Coffee Table, with its Charter Oak finish, offers a chic industrial update to any home. This coffee table features a spacious tabletop for magazines, mail, coasters, and beverages, along with a large, lower open shelf for additional storage and display. Constructed with a durable, black metal frame, this stylish piece is designed to complement your living room decor.

SAFETY INFORMATION

- Do not exceed the maximum weight recommendation of 50 pounds.
- Ensure the table is stable and not placed on uneven surfaces.
- Be aware of pinch points during assembly.

PACKAGE CONTENTS

Your Sauder North Avenue Coffee Table package includes the following components:

- All necessary materials (engineered wood panels, metal frame components)
- All required hardware (screws, Allen wrench)
- Assembly instructions manual

TOOLS REQUIRED

For assembly, you will need:

- Phillips Head Screwdriver (not included)
- Allen Wrench (included)

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Sauder North Avenue Coffee Table. It is recommended to have a clean, flat surface for assembly.

Your browser does not support the video tag.

Video: A detailed guide on how to assemble the Sauder Coffee Table, demonstrating each step from unboxing to final tightening.

1. **Unboxing:** Carefully open the packaging and remove all components. Verify that all parts and hardware listed in the package contents are present.
2. **Assemble Metal Frame:** Connect the metal frame pieces using the provided Allen wrench and screws. Ensure all connections are snug but do not overtighten until all pieces are in place.
3. **Attach Bottom Shelf:** Slide the smaller engineered wood panel into the lower section of the metal frame. Align the pre-drilled holes in the wood panel with the holes in the metal frame. Secure with the Phillips head screws.
4. **Attach Top Surface:** Place the larger engineered wood panel onto the top section of the metal frame. Align the pre-drilled holes and secure with the Phillips head screws.
5. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws using both the Allen wrench and Phillips head screwdriver. Ensure the table is stable and level.

USAGE AND CARE

- **Maximum Weight:** The tabletop has a maximum weight recommendation of 50 pounds. Do not exceed this limit.
- **Surface Protection:** Use coasters under beverages and placemats under hot items to protect the Charter Oak finish.
- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Placement:** Suitable for indoor use only. Avoid prolonged exposure to direct sunlight or extreme temperatures.
- **Stability:** Periodically check and tighten all hardware to ensure the table remains stable.
