Jabra Evolve 30 UC Mono Headset Instruction Manual

Model: 5393-829-309 | Brand: Jabra

1. INTRODUCTION

Thank you for choosing the Jabra Evolve 30 UC Mono Headset. This headset is designed for unified communications, offering clear audio and passive noise cancellation to enhance your concentration and communication experience. This manual provides detailed instructions on how to set up, operate, and maintain your headset.

2. PACKAGE CONTENTS

Ensure all items are present in your package:

- Jabra Evolve 30 UC Mono On-Ear Headset
- USB Cable with Control Unit

3. SETUP

The Jabra Evolve 30 UC Mono Headset features plug-and-play installation, allowing you to use it immediately with most leading communication systems. Simply connect the headset to your device.

Connecting to a Computer (USB-A)

Connect the USB-A connector of the control unit cable to an available USB-A port on your computer. The headset will be automatically recognized and ready for use.

Connecting to a Mobile Device (3.5mm Jack)

For mobile devices, connect the 3.5mm jack from the control unit cable to the headphone jack on your smartphone or tablet. Note that call control functions on the unit may be limited when connected via 3.5mm jack.

4. OPERATING INSTRUCTIONS

The inline control unit provides easy access to call management functions.

Call Control Unit Functions

- **Answer/End Call:** Press the 'Answer/End' button (typically a phone icon) to accept or finish a call.
- **Volume Up/Down:** Use the '+' and '-' buttons to adjust the listening volume.
- **Mute Microphone:** Press the 'Mute' button (microphone icon) to mute or unmute your microphone during a call. An LED indicator on the control unit may show the mute status.

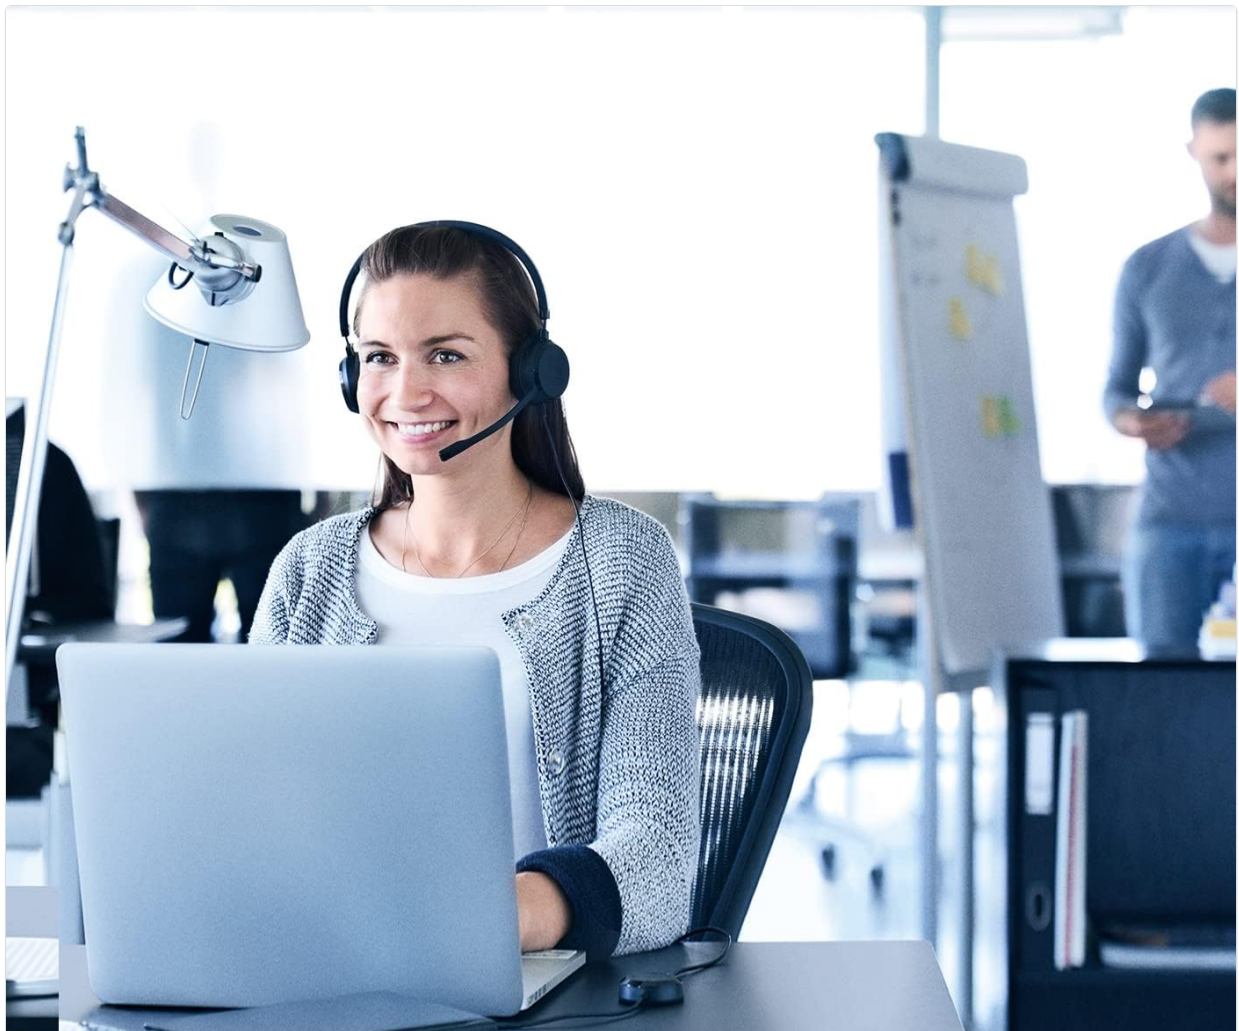

Geluidsisolatie voor betere concentratie

5. FEATURES

- **Passive Noise Cancellation:** The headset is designed to block high-frequency sounds, such as human voices, providing a better sound experience and enabling more efficient collaboration in various environments.
- **Optimized for Unified Communications:** This headset is optimized for use with all major communication platforms, ensuring seamless integration and performance.
- **Comfortable Design:** Features a stylish and comfortable design with soft leatherette ear cushions and an adjustable headband for a perfect fit during extended use.
- **Dual Connectivity:** Offers flexible connectivity options via USB-A for computers and a 3.5mm jack for personal mobile devices.

6. MAINTENANCE

To ensure the longevity and optimal performance of your headset, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the headset, including ear cushions and microphone, with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent damage.

7. TROUBLESHOOTING

If you encounter issues with your Jabra Evolve 30 UC Mono Headset, try the following troubleshooting steps:

Problem	Solution
---------	----------

Problem	Solution
No sound from headset	Ensure the headset is properly connected to your device (USB-A or 3.5mm jack). Check the volume settings on your computer/device and on the headset's control unit. Verify that the headset is selected as the default audio output device in your system settings.
Microphone not working	Ensure the microphone is not muted on the control unit or in your software settings. Check that the headset is selected as the default microphone input device in your system settings. Position the microphone boom correctly near your mouth.
Poor audio quality	Ensure the connection is secure. Test the headset with another device or application to rule out software issues. Check for any physical damage to the cable or connectors.

8. SPECIFICATIONS

Specification	Detail
Brand	Jabra
Model Name	Jabra Evolve 30
Item Model Number	5393-829-309
