5. OPERATING INSTRUCTIONS

Once the stand is set up, place your compatible iPad or iPhone into the viewing groove. The adjustable stand securely holds your device in landscape mode, providing an optimal angle for comfortable typing with your Apple Wireless Keyboard or for media consumption.

Work with iPad and iPhone

This image illustrates the case's functionality as a stand for both iPad and iPhone, facilitating comfortable interaction with the keyboard.

6. MAINTENANCE

6.1 Cleaning

To clean the exterior of the case, wipe it with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the material. Ensure the case is completely dry before reinserting your keyboard.

6.2 Storage and Protection

When not in use, keep the case closed to protect your keyboard from dust and scratches. The magnetic closure helps keep the front cover sealed. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

This image demonstrates the case's ability to protect the keyboard from scratches when stored in a bag, thanks to its magnetic closure.

7. TROUBLESHOOTING

- **Keyboard does not fit:** Verify your keyboard model is MC184LL/A or MC184LL/B. This case is not compatible with Apple Magic Keyboard MLA22LL/A. Refer to the compatibility section for details.
- **Device slips from stand:** Ensure the case is folded correctly into the stand configuration and placed on a stable, flat surface. The magnetic flaps should be fully engaged to provide maximum stability for your device.
- **Magnetic closure not working:** Check for any debris or foreign objects obstructing the magnetic areas of the case. Ensure the case is properly aligned when closing to allow the magnets to engage.
