TC1 Sweat Ignition Workout Gel User Manual

Topical Thermogenic with Capsaicin - 6 oz Jar

INTRODUCTION

The TC1 Sweat Ignition Workout Gel is a topical pre-workout enhancer formulated to optimize your exercise routine. This advanced gel is designed to increase body temperature in applied areas, promoting increased perspiration and aiding in warm-up and recovery. Its unique formulation, including Capsaicin, helps to create a thermogenic effect during physical activity.

SETUP

Application Instructions:

1. Rub TC1 Gel on your arms, legs, and stomach approximately 20 minutes before your workout.
2. For best results, wrap a TC1 Sweat Belt around your stomach to help lock in the gel.
3. Begin your workout routine. As your body temperature rises, you will feel the heat from the gel, which is designed to enhance sweating.
4. The heat generated by the gel can assist in keeping muscles loose throughout your workout and into the post-workout recovery phase.

OPERATING INSTRUCTIONS

Once applied, the TC1 Sweat Ignition Workout Gel works by creating a localized warming sensation that helps to elevate your body's core temperature in the treated areas. This effect is intended to enhance your body's natural sweating process during exercise, contributing to a more intense workout experience. The gel's active ingredients are designed to support increased circulation and a thermogenic response.

MAINTENANCE

- After your workout, wipe off any remaining gel from your skin with a cool, damp cloth.
- Immediately after applying the gel, wash your hands thoroughly with soap and cool water to prevent accidental contact with sensitive areas.
- Store the gel between 59°F and 86°F (15°C and 30°C).
- Keep the product out of direct sunlight.
- If the gel liquefies due to heat, place it in a cool environment to allow it to harden again.

TROUBLESHOOTING

- **Excessive Heat Sensation:** If you experience too much heat, use a small amount of gel initially to gauge your tolerance. A little goes a long way.

- **Allergic Reaction:** Do not use the product if you are allergic or sensitive to Capsaicin or any other ingredients. Discontinue use if irritation occurs.
- **Eye, Nose, or Mouth Contact:** Avoid contact with eyes, nose, and mouth. If accidental contact occurs, rinse immediately and thoroughly with cool water.
- **Skin Irritation:** Do not apply the gel to open wounds, damaged, broken, or irritated skin.
- **Product Consistency:** If the gel becomes too liquid, place the jar in a cool place to restore its original consistency.

SPECIFICATIONS

Brand	TC1
Item Form	Jar
Unit Count	6.0 Ounce
Item Weight	8.2 Ounces
Product Dimensions (L x W x H)	3.82 x 2.99 x 3.82 inches
Special Ingredients	Capsaicin
Primary Supplement Type	Capsaicin
Age Range (Description)	Adult
Manufacturer	TC1
ASIN	B01KAGFZVM
