

WeatherTech 459502

WeatherTech FloorLiner Instruction Manual

For MINI Convertible (2nd Row, Model 459502), Tan

1. INTRODUCTION

Thank you for choosing WeatherTech FloorLiners. These custom-fit floor liners are designed to provide advanced vehicle floor protection, preserving the interior of your MINI Convertible. Engineered with precision and manufactured from durable materials, your FloorLiners offer comprehensive coverage against dirt, debris, and spills.

2. PRODUCT COMPATIBILITY

This WeatherTech FloorLiner (Model 459502, Tan) is specifically designed for the **2nd Row** of select MINI Convertible models. Please confirm fitment to your specific year, make, and model prior to installation:

- Compatible with select 2025-2026 MINI Convertible models.
- Compatible with 2016-2024 MINI Convertible models.

Always verify compatibility to ensure proper fit and function.

3. KEY FEATURES

- **Custom Fit:** Laser-measured for a precise fit to the contours of your vehicle's floor.
- **Advanced Material:** Constructed from a patented High-Density Tri-Extruded (HDTE) material, offering a rigid core for strength, surface friction to the carpet, and a tactile feel.
- **Superior Protection:** Advanced surfacing creates channels that direct fluids and debris to a lower reservoir, minimizing movement while driving.
- **Comprehensive Coverage:** Designed to protect the front, back, and even up the sides of your vehicle's footwell.
- **Made in USA:** Proudly designed, engineered, and manufactured with American-made tooling.

4. INSTALLATION INSTRUCTIONS

- 1. Remove Old Mats:** Before installing your new WeatherTech FloorLiners, remove all previously installed floor mats from your vehicle.
- 2. Clean Floor:** Clean any dirt, dust, or debris from the vehicle's floor where the FloorLiner will be placed.

3. **Position Liner:** Carefully place the FloorLiner into the designated footwell area. Ensure it sits flat and conforms to the vehicle's contours.
4. **Check Pedal Clearance:** After placement, always ensure the FloorLiner does not interfere with the full operation of the accelerator, brake, or clutch pedals. The pedals must have complete freedom of movement.
5. **Secure with Retention Devices:** Secure the FloorLiner using your vehicle's existing retention devices (hooks or posts) or any supplemental retention devices provided by WeatherTech, where applicable.

5. MAINTENANCE AND CARE

WeatherTech FloorLiners are designed for easy cleaning and maintenance, ensuring long-lasting protection for your vehicle's interior.

- **Regular Cleaning:** Remove the FloorLiners from your vehicle.
- **Washing:** Hose off the FloorLiners with water to remove dirt, mud, snow, or spills. For tougher stains, use a mild soap and a soft brush.
- **Drying:** Allow the FloorLiners to air dry completely before reinstalling them in your vehicle.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or stiff brushes, as these may damage the material or finish.

6. SAFETY INFORMATION

READ BEFORE INSTALLING WEATHERTECH PRODUCT

- **Remove All Mats:** Always remove all previously installed floor mats before installing your WeatherTech FloorLiners.
- **Clean Floor:** Ensure the vehicle floor is clean and free of debris.
- **Correct Placement:** Install your WeatherTech product in the correct location per the enclosed instructions or video.
- **Retention System:** Always use any existing or provided retention system so the WeatherTech product is properly secured.
- **Pedal Inspection:** Inspect vehicle control pedals for full freedom of movement after installation and before each use.
- **DO NOT OPERATE VEHICLE IF ANY INTERFERENCE EXISTS AT ANY TIME.**
- **Regular Checks:** Check the fit of the WeatherTech product frequently, especially after the vehicle has been washed, serviced, or the product is reinstalled.
- **Retain Label:** Retain this warning/instruction label in the vehicle so all drivers have access to this information.
- **Verify SKU:** Ensure that you have the proper part (SKU) for your vehicle.

Model	FloorLiner
Item Model Number	459502
Coverage Area	2nd Row (2-Piece Liner)
Color	Tan
Item Weight	2.2 pounds
Product Dimensions	19.29 x 3.54 x 42.91 inches
UPC	787765768917
Automotive Fit Type	Vehicle Specific Fit

8. TROUBLESHOOTING

If you encounter any issues with your WeatherTech FloorLiners, consider the following:

- **Improper Fit:** Double-check that the FloorLiner is correctly positioned and secured. Ensure no other mats are underneath. Verify the model number matches your vehicle's specifications.
- **Movement:** If the FloorLiner shifts during use, ensure all retention devices are properly engaged. If your vehicle has factory retention posts, make sure the FloorLiner is securely attached to them.
- **Pedal Interference:** Immediately remove the FloorLiner if it interferes with pedal operation. Re-install carefully, ensuring full pedal travel. If interference persists, contact WeatherTech customer support.

9. WARRANTY AND SUPPORT

WeatherTech products are backed by a Limited Lifetime Warranty against defects in materials or workmanship. For specific warranty details, claims, or further assistance, please visit the official WeatherTech website or contact their customer support directly.
