1. OVERVIEW

The LEGO City Police Bulldozer Break-in 60140 Building Kit allows you to construct a detailed scene featuring a 2-level bank, a police high-security truck, a police helicopter, and a crooks' bulldozer. This set is designed for imaginative play, enabling users to recreate police pursuits and bank heist scenarios. It includes five minifigures and a police dog figure, providing a complete cast for various play situations.

2. WHAT'S IN THE BOX

Your LEGO City Police Bulldozer Break-in 60140 Building Kit contains all necessary LEGO building elements to construct the bank, police truck, police helicopter, and crooks' bulldozer, along with minifigures and accessories. A detailed instruction booklet is included to guide the assembly process.

- LEGO Building Elements for the bank, police truck, police helicopter, and bulldozer.
- 5 Minifigures (female police pilot, male police specialist, female police officer, and 2 crooks).
- 1 Police dog figure.
- Instruction manual for assembly.

3. FEATURES

- Build an entire bank heist scene with a 2-level bank and three buildable vehicles.
- Crooks' bulldozer features chains and hooks to pull the safe and ATM from the bank walls.
- Police helicopter includes a searchlight and spinning rotors for aerial pursuit.
- High-security police truck is loaded with accessories for law enforcement.
- Includes 5 minifigures (female police pilot, male police specialist, female police officer, and 2 crook

minifigures) plus a police dog figure.

- LEGO City building toys are compatible with all LEGO construction sets for creative building.

4. SETUP AND ASSEMBLY

Assembly of the LEGO City Police Bulldozer Break-in 60140 Building Kit is guided by the included step-by-step instruction manual. Ensure all pieces are accounted for before beginning. Sort pieces by color and size to facilitate the building process.

1. **Unpack Components:** Carefully open the box and remove all plastic bags containing LEGO bricks and the instruction manual.
2. **Organize Bricks:** For an easier building experience, sort the bricks by color or type. This helps in quickly locating the required pieces for each step.
3. **Follow Instructions:** Refer to the provided instruction booklet. Each step illustrates the bricks needed and how to connect them. Pay close attention to the images and piece counts for accuracy.
4. **Assemble Sub-models:** The manual will guide you through building the bank, police truck, police helicopter, and crooks' bulldozer as separate sub-models.
5. **Integrate Minifigures and Accessories:** Assemble the minifigures and place them with their respective vehicles or within the bank structure as indicated.
6. **Final Inspection:** Once all models are built, review the completed set against the images in the manual to ensure all components are correctly assembled.

5. OPERATING AND PLAY SCENARIOS

The LEGO City Police Bulldozer Break-in set is designed for interactive storytelling and imaginative play. Here are some suggested play scenarios:

Video 5.1: Official product video demonstrating play features of the LEGO City Police Bulldozer Break-In 60140 Building Kit.

- **Bank Heist:** Position the crooks' bulldozer near the bank. Use its chain and hook to simulate pulling out the safe and ATM from the bank walls.
- **Police Pursuit:** Deploy the police truck and helicopter to chase after the crooks. The helicopter's spinning rotors and searchlight can be used to track the escaping bulldozer.
- **Capture and Arrest:** Use the police minifigures and the police dog to apprehend the crooks. The police truck can be used to transport the captured criminals.
- **Role-Playing:** Encourage children to create their own stories and scenarios, assigning roles to the different minifigures and utilizing the various vehicles and bank features.

6. MAINTENANCE

To ensure the longevity and cleanliness of your LEGO City Police Bulldozer Break-in set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap and water to clean the LEGO bricks. Avoid harsh chemicals or abrasive materials, as these can damage the plastic.
- **Drying:** Allow all cleaned bricks to air dry completely before reassembling or storing them.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of the plastic.
- **Handling:** Handle the assembled models with care to prevent pieces from detaching or breaking.

7. TROUBLESHOOTING

Most issues with LEGO sets are minor and can be resolved easily:

- **Missing Pieces:** If you discover a missing piece during assembly, first double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for a replacement.
- **Loose Connections:** Ensure bricks are firmly pressed together. Sometimes, a slight adjustment is needed to secure connections.
- **Difficulty Following Instructions:** Review the previous steps carefully. Sometimes a small error early on can affect subsequent steps. Online versions of instructions are often available on the

LEGO website for clearer viewing.

- **Damaged Pieces:** If any pieces are damaged upon opening the box, contact LEGO Customer Service for replacements.
