Key Features

- Compact and lightweight design, ideal for travel.
- "Satin'Touch" ceramic heating plates (14 x 60 mm) for smooth styling.
- Maximum temperature setting of 200°C.
- Corded power source for consistent performance.

SETUP

Before first use, ensure the straightener is clean and free from any packaging materials. Place the straightener on a heat-resistant surface.

OPERATING INSTRUCTIONS

Follow these steps for effective hair straightening:

1. Plug the mini straightener into a suitable electrical outlet.
2. Select the desired temperature. The straightener operates between 180 °C and 200 °C.
3. Wait until the straightener has reached the selected temperature. This usually takes a few moments.
4. Take a small section of dry hair. Pass the straightener over this section, ensuring the hair is evenly distributed between the plates and sections do not overlap.
5. Repeat the process over your entire hair, working in small sections until desired results are achieved.
6. After use, unplug the mini straightener from the electrical outlet and allow it to cool completely before storing.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and performance of your straightener:

- Always unplug the appliance and allow it to cool down completely before cleaning.
- Wipe the exterior and heating plates with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Ensure no water enters the appliance.
- Store the straightener in a dry, safe place, away from moisture and extreme temperatures.

TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

- **Appliance not heating:** Ensure the straightener is properly plugged into a working electrical outlet. Check for any visible damage to the cord or plug.
- **Hair not straightening effectively:** Ensure hair is clean and dry before use. Work with smaller sections of hair. Allow the straightener to reach its full temperature before use.
- **Unusual odor or smoke:** Immediately unplug the device and discontinue use. Contact customer support.
