VonShef Set of 3 Tea, Coffee, and Sugar Canisters

MODEL: COMIN18JU067276

Introduction

This manual provides instructions for the proper use and care of your VonShef Set of 3 Tea, Coffee, and Sugar Canisters. Designed for kitchen storage, these canisters help keep your dry goods fresh and organized. Please read this manual thoroughly before first use and retain it for future reference.

Safety Instructions

- Always handle glass lids with care to prevent breakage.
- Do not use abrasive cleaners or scourers on the stainless steel body or glass lids, as this may scratch the surfaces.
- These canisters are designed for dry food storage. Do not use them for liquids or perishable items that require refrigeration.
- Keep out of reach of children to prevent accidental breakage or injury.
- Do not place in a microwave oven.

Package Contents

Your VonShef Canister Set includes:

- 3 x Stainless Steel Canisters (Red)
- 3 x Glass Lids with Stainless Steel Rings

Setup

1. **Unpack:** Carefully remove all components from the packaging.
2. **Inspect:** Check all items for any signs of damage. If any items are damaged, do not use them and contact customer support.
3. **Initial Cleaning:** Before first use, wash the canisters and lids thoroughly with warm, soapy water. Rinse well and dry completely. Ensure the silicone seals on the lids are clean and properly seated.

Operating Instructions (Usage)

1. **Filling:** Fill each canister with your desired dry goods such as tea, coffee, or sugar. Do not overfill.
2. **Sealing:** Place the glass lid onto the canister. Press down gently but firmly to ensure the silicone seal creates an airtight closure. The lid's design with a ring handle allows for easy lifting.
3. **Storage:** Store the sealed canisters in a cool, dry place away from direct sunlight to maintain the freshness of the contents.

Image: A close-up of a hand lifting the glass lid from a red canister, highlighting the lid's handle and the interior of the canister.

Maintenance and Cleaning

- **Hand Washing Recommended:** To preserve the finish and integrity of the canisters and lids, hand washing is recommended. Wash with warm, soapy water using a soft cloth or sponge.
- **Drying:** Rinse thoroughly and dry immediately with a soft, dry cloth to prevent water spots. Ensure lids, especially around the silicone seal, are completely dry before reassembling or storing to prevent moisture buildup.
- **Avoid Dishwashers:** While some components may tolerate dishwashers, prolonged exposure to harsh detergents and high temperatures can degrade the finish and seals over time.
- **Stubborn Stains:** For stubborn stains, use a non-abrasive cleaner specifically designed for stainless steel.

Troubleshooting

Lid does not seal tightly:

- Check if the silicone seal on the lid is properly seated and free from debris.
- Ensure the rim of the canister is clean and free from any obstructions.
- Apply gentle, even pressure when closing the lid.

Moisture around the seal after washing:

- This can occur if the lid is not fully dried. Allow the lid to air dry completely, especially around the silicone gasket, before reassembling or storing.

Minor scratches on canisters:

- Small cosmetic imperfections can sometimes occur during manufacturing or transit. These generally do not affect the functionality of the product.
- To prevent further scratches, avoid using abrasive cleaning tools or stacking items directly on top of the canisters without protection.

Specifications

Feature	Detail
Model Number	COMIN18JU067276
Brand	VonShef
Quantity	Set of 3 Canisters
Material	Stainless Steel (Canister Body), Glass (Lid)
Color	Red
Capacity (each)	Approximately 1.3QT (1100 Milliliters)
Item Volume (total)	1500 Milliliters <i>(Note: This may refer to package volume or a different measurement)</i>
Closure Type	Flip Top (Glass Lid with Seal)
Product Care	Hand Wash Recommended
Microwave Safe	No
Approx. Package Dimensions	17.7 x 8.2 x 6.5 inches
Approx. Item Weight (total)	4.17 pounds

Warranty and Support

For warranty information or product support, please refer to the documentation provided with your purchase or contact VonShef customer service directly. Keep your proof of purchase for any warranty claims.

Note: Specific warranty terms may vary by region and retailer.
