## 4. OPERATING INSTRUCTIONS (HOW TO PLAY)

### 4.1 Objective

The objective of Monopoly Express is to be the wealthiest player at the end of the game, achieved by buying, renting, and trading properties.

### 4.2 Game Turn Overview

Players take turns in a clockwise direction. Each turn typically involves:

1. Rolling the dice.
2. Moving your pawn the corresponding number of spaces.
3. Performing the action indicated by the space landed on.

### 4.3 Detailed Rules

- **Rolling and Moving:** Roll the dice and move your pawn clockwise around the board. If you roll doubles, take your turn as usual, then roll again. Three consecutive doubles send you to Jail.
- **Landing on Unowned Property:** You may buy the property for the price listed on the board. If you decline, the Banker auctions it to the highest bidder.
- **Landing on Owned Property:** If another player owns the property, you must pay them rent. The rent amount is listed on the property card. Rent increases if the owner has a complete color set or has built houses/hotels.
- **Chance and Community Chest:** Draw the top card from the respective pile and follow its instructions. Return the card to the bottom of the pile after use.
- **Go:** Pass or land on 'GO' to collect M200 from the Bank.
- **Jail:** If you land on 'Go to Jail', you immediately move to the 'Jail' space. You cannot collect M200 for passing 'GO'. You can get out of Jail by rolling doubles, using a 'Get Out of Jail Free' card, or paying a fine.

- **Free Parking:** This is a safe space; no action is required.

## 4.4 Winning the Game

The game typically ends after a predetermined time (e.g., 20 minutes for a quick game) or when all properties are owned. Players then count their total wealth (cash + value of properties). The player with the highest total wealth wins.

## 5. MAINTENANCE

---

To ensure the longevity of your Monopoly Express game:

- **Storage:** Always store all game components in the original box to prevent loss or damage. Keep the box in a cool, dry place away from direct sunlight.
- **Cleaning:** Wipe the game board and plastic components with a soft, dry cloth if they become dusty. Do not use harsh chemicals or abrasive cleaners.
- **Handling:** Handle cards and money carefully to avoid bending or tearing.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Monopoly Express game:

- **Missing Components:** If any game pieces are missing upon opening, please contact Hasbro Gaming customer support for assistance.
- **Rules Disputes:** In case of disagreement over game rules, refer to this instruction manual for clarification. For advanced rules or house rules, players should agree on them before starting the game.
