Sauder 420474

Sauder Harbor View L Shaped Computer Desk Instruction Manual

Model: 420474

1. PRODUCT OVERVIEW

The Sauder Harbor View L Shaped Computer Desk is designed to optimize your home office space with a casual cottage aesthetic. This L-shaped desk features a slide-out keyboard shelf, three sliding pull-out drawers, and a file drawer. Its versatile design allows for customization to fit various layouts.

2. SETUP AND ASSEMBLY

This desk requires assembly. Detailed assembly instructions, hardware, and materials are included with your purchase. It is recommended that 1 person assemble the desk, with a hammer and screwdriver as the only tools required.

2.1 Identifying Drawer Rails

Proper identification of drawer rails is crucial for correct assembly. Rails are typically marked for their specific placement (e.g., 'Drawer Left', 'Drawer Right', 'Cabinet Left', 'Cabinet Right'). Pay attention to the flange and roller positions.

Your browser does not support the video tag.

Video 1: This video demonstrates how to correctly identify and differentiate between various drawer and cabinet rails during the assembly process.

2.2 Assembling Cam and Dowel Connections

Cam and dowel connections are commonly used in furniture assembly for strong, concealed joints. Ensure dowels are fully inserted and cam locks are aligned correctly before tightening. Turn cam locks 210 degrees to secure the connection.

Your browser does not support the video tag.

Video 2: This video illustrates the correct procedure for assembling cam and dowel connections, including proper alignment and tightening techniques.

2.3 Desk Dimensions

Refer to the diagram below for detailed dimensions of the desk components, including drawer interiors and cabinet space.

3. FEATURES

- **Smart Storage Solution:** This L-shaped corner desk features three sliding drawers and a slide-out keyboard shelf, providing ample storage for your office essentials while keeping your workspace organized and tidy.
- **Versatile Design:** Perfectly fits into corners, making it ideal for home offices or small apartments, allowing you to maximize your space without sacrificing style.
- **Customizable Configuration:** With the option to fasten doors and drawers on either side, this desk adapts to your unique layout and preferences, ensuring a personalized workspace.
- **Stylish Finish:** Finished in Curado Cherry, this desk adds a touch of warmth and sophistication to your decor, blending seamlessly with both contemporary and traditional styles.
- **Easy Cord Management:** The built-in grommet hole allows for efficient cable management, keeping your workspace free from clutter and distractions.

3.1 Storage Components

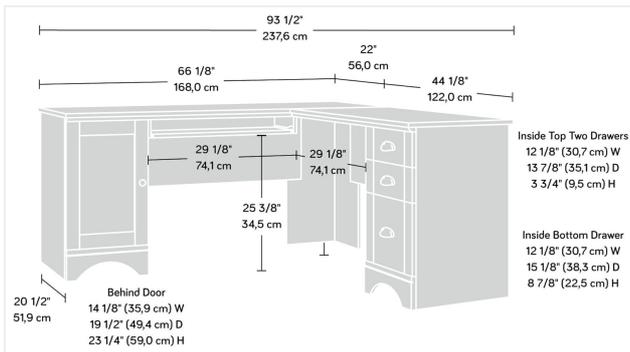

Image 3: The desk features a cabinet with an adjustable shelf, suitable for a CPU tower or general storage.

Image 4: Three drawers provide ample storage, with the bottom drawer designed to accommodate hanging files.

Image 5: A convenient slide-out keyboard tray helps maximize your desktop workspace.

4. OPERATING THE DESK

The L-shaped design offers flexibility in how you utilize your workspace. Position your computer monitor in the corner for an ergonomic setup, allowing easy access to both sides of the desk. The drawers and cabinet can be configured on either the left or right side during assembly to best suit your room layout and workflow.

5. MAINTENANCE

For product care instructions, please refer to the detailed guide included in your assembly manual. Regular dusting with a soft, dry cloth is recommended. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

6. TROUBLESHOOTING

While the desk is designed for durability, some minor issues may arise over time:

- **Sharp Edges:** If you find the edges of the desk or keyboard tray uncomfortable, consider adding a large desk pad or wrist rest to improve comfort during prolonged use.
- **Color Wear:** Areas of frequent use may show slight color wear over time. A wood color marker can be used for minor touch-ups to maintain the finish.
- **Drawer Operation:** Ensure drawer glides are clean and free of debris for smooth operation. If drawers do not extend fully, check for obstructions or proper installation of the rails.

7. SPECIFICATIONS

Feature	Detail
Brand	Sauder
Model Number	420474

Model Name	Harbor View
Shape	L-Shape
Product Dimensions (D x W x H)	66.14"D x 66.14"W x 30.28"H
Item Weight	173.2 Pounds
Color	Curado Cherry
Style	Country Rustic
Material Type	Engineered Wood, Metal
Number of Drawers	3
Number of Cabinets	1
Number of Shelves	2
Maximum Weight Recommendation	75 Pounds
