2. SETUP

The RASASI Hawas For Men Eau De Parfum Spray is ready for immediate use upon unboxing. No assembly or complex setup is required.

1. **Unboxing:** Carefully remove the perfume bottle from its packaging.
2. **First Use:** Before applying, ensure the spray nozzle is clear. A few initial sprays into the air may be necessary to prime the pump.

3. OPERATING INSTRUCTIONS

Follow these guidelines for optimal application of the Eau De Parfum:

- **Application Points:** Apply 1-2 sprays to pulse points. These areas include the wrists, neck, and behind the ears, where body heat can help diffuse the fragrance.
- **Skin Preparation:** For best results, apply the fragrance to clean, dry skin.
- **Avoid Rubbing:** After spraying, avoid rubbing the applied areas, as this can alter the fragrance composition and reduce its longevity.
- **Frequency:** The long-lasting formula typically requires only one application per day. Reapplication may be done based on personal preference or specific event needs.

4. MAINTENANCE

Proper storage and care will help preserve the quality and longevity of your fragrance:

- **Storage:** Store the bottle in a cool, dry place, away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- **Cap Security:** Always ensure the cap is securely placed on the bottle after each use to prevent evaporation and contamination.
- **Cleaning:** If the bottle exterior becomes dusty, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals.

5. SAFETY INFORMATION

For External Use Only.

- **Avoid Contact:** Do not spray directly into eyes or on broken or irritated skin.
- **Allergy Test:** If you have sensitive skin, perform a patch test on a small, inconspicuous area before full application. Discontinue use if irritation occurs.
- **Flammability:** This product contains alcohol and is flammable. Keep away from heat, open flames, and sources of ignition.
- **Keep Out of Reach:** Keep out of reach of children and pets.
- **Ingestion:** Do not ingest. If swallowed, seek medical attention immediately.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Fragrance not spraying	Nozzle blockage or pump not primed.	Ensure the cap is removed. Press the spray nozzle firmly several times to prime the pump. If blocked, gently wipe the nozzle with a damp cloth.
Scent fades quickly	Improper application or storage conditions.	Apply to pulse points on clean, moisturized skin. Store in a cool, dark place away from direct light and heat. Avoid rubbing after application.
Skin irritation	Sensitivity to ingredients.	Discontinue use immediately. Consult a medical professional if irritation persists. Review the ingredients list.
