## 5. SETUP

### 5.1. Connecting the Headset

1. Locate the RJ9 headset port on your compatible landline desk phone.
2. Plug the RJ9 connector from your Wantek headset into the headset port on your phone. Ensure a secure connection.

### 5.2. Adjusting for Fit and Comfort

1. **Headband Adjustment:** Gently slide the headband to expand or contract it until it comfortably fits over your head.
2. **Earpiece Rotation:** The earpiece can rotate 90 degrees to allow for comfortable positioning on your ear.
3. **Microphone Arm Rotation:** The microphone arm can rotate 330° to allow you to wear the headset with the microphone on either your left or right side.
4. **Microphone Positioning:** Bend the flexible microphone arm to position the microphone approximately 1-2 inches from your mouth for optimal voice pickup.

## Adjustable Headband for Perfect Fit

You can easily adjust and bend it to fit all head sizes to reduce the pressure from the headset.

## 7. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid using liquids or abrasive cleaners.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid excessive pulling or bending of the cable to prevent damage.

## 8. TROUBLESHOOTING

### 8.1. No Sound or Poor Audio Quality

- Ensure the headset's RJ9 connector is fully inserted into the phone's headset port.
- Check the ON/OFF switch on the in-line control and ensure it is in the 'ON' position.
- Adjust the volume control on the in-line unit.
- Verify that your phone model is listed in the compatibility section. Incorrect compatibility is a common cause of audio issues.

## 8.2. Microphone Not Working

- Ensure the microphone mute function on the in-line control is disengaged.
- Reposition the microphone arm closer to your mouth.
- Confirm phone compatibility as per Section 2.

## 8.3. Headset is Uncomfortable

- Adjust the headband length to fit your head size.
- Rotate the earpiece for better positioning.
- Ensure the T-pad rests comfortably against your head.
