vidaXL B01LT7YTGI

vidaXL Garden Planter with Built-in Slatted Trellis

Model: B01LT7YTGI

PRODUCT OVERVIEW

This wood planter, featuring a built-in trellis, is designed to enhance any outdoor space. It includes a spacious flower box suitable for a variety of green plants and flowers. The integrated trellis provides essential support for climbing plants, promoting healthy growth and an attractive display. Constructed from weather-resistant solid wood, this trellis planter is built for durability and year-round outdoor use. Assembly is straightforward.

SETUP AND ASSEMBLY

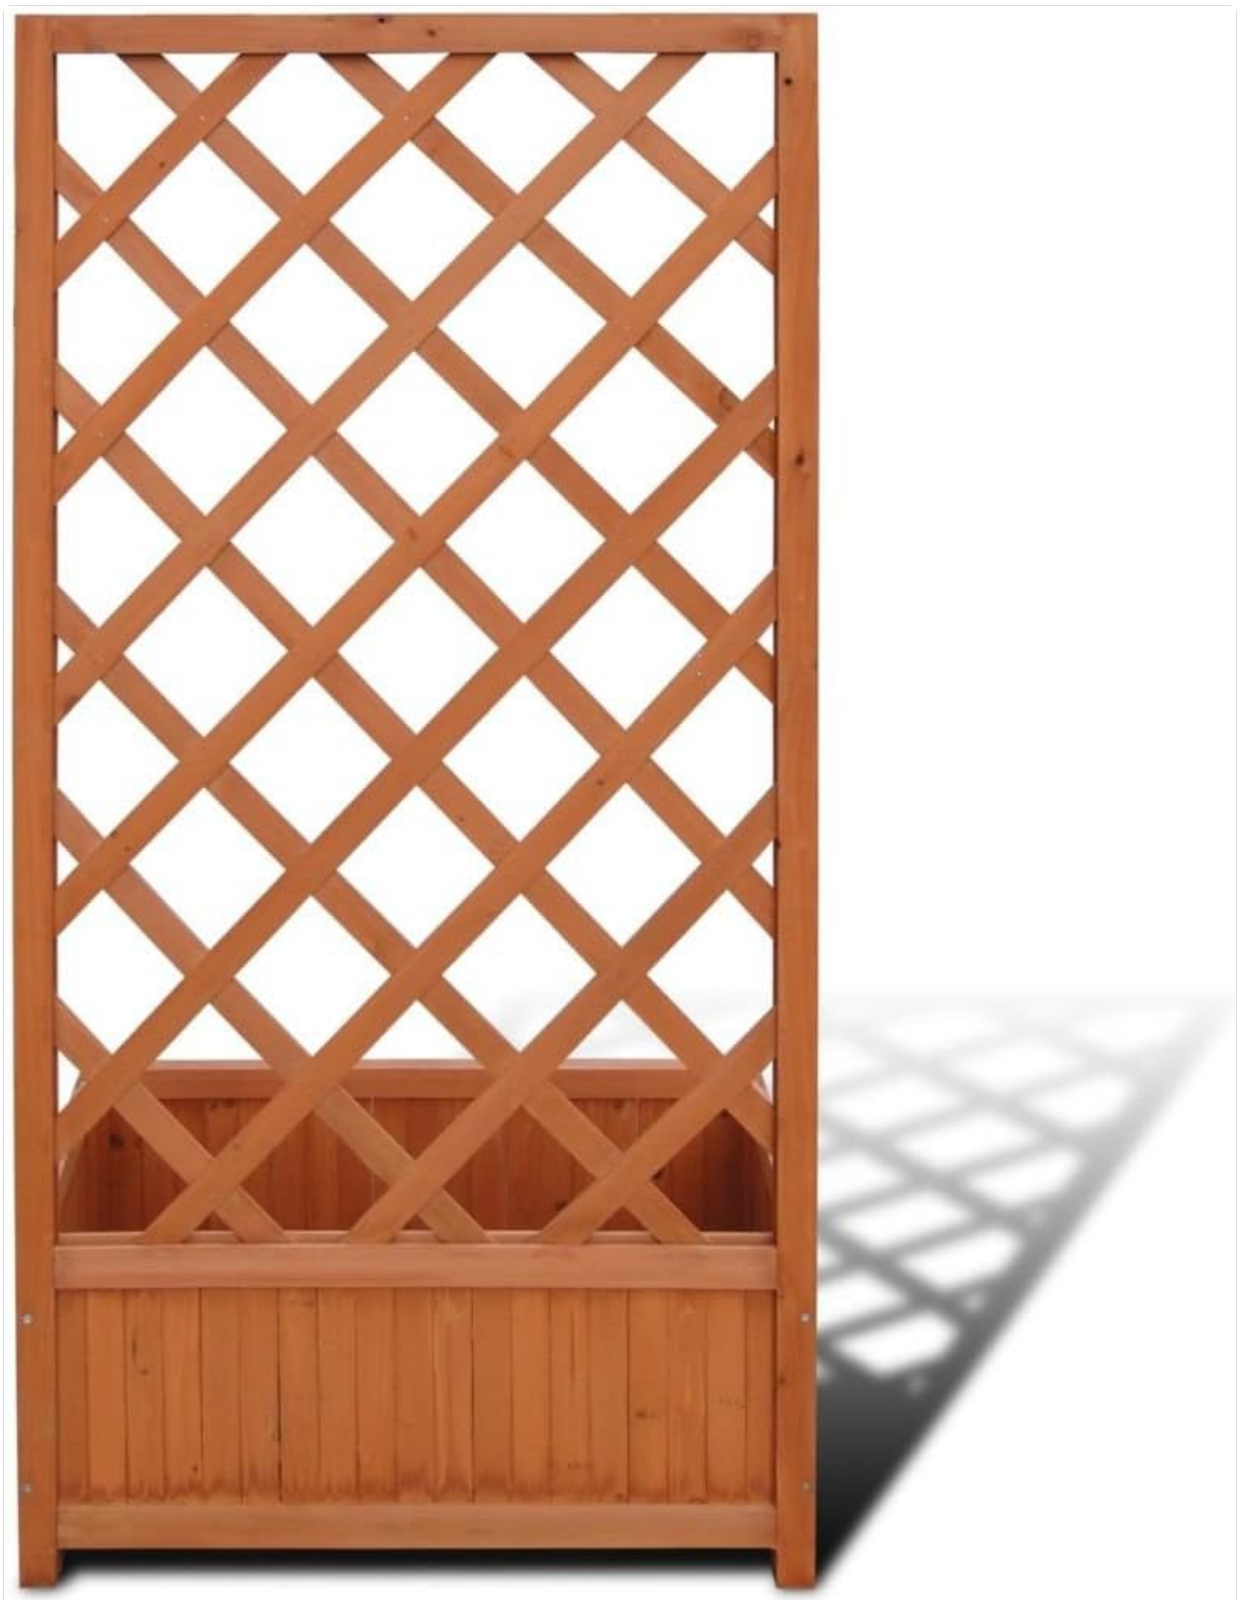

The vidaXL Garden Planter with Trellis is designed for easy assembly. Follow these steps to set up your planter:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the assembly instructions (not provided in this manual, refer to product packaging) are present and undamaged.
2. **Assemble Planter Box:** Connect the side panels and base of the planter box using the provided hardware. Ensure all connections are secure.
3. **Attach Trellis:** Securely attach the slatted trellis panel to the back of the assembled planter box. Ensure the trellis is upright

and stable.

4. **Positioning:** Place the assembled planter in your desired outdoor location. Consider sunlight exposure and proximity to water sources for plant care.

OPERATING INSTRUCTIONS

Once assembled, your planter is ready for use. Follow these guidelines for optimal performance:

- **Filling the Planter:** Fill the planter box with appropriate potting soil suitable for your chosen plants. Ensure adequate drainage.
- **Planting:** Plant your desired flowers, herbs, or vegetables in the planter box. For climbing plants, position them near the trellis.
- **Trellis Use:** Gently guide the tendrils or stems of climbing plants onto the trellis as they grow. You may use soft ties or clips to secure them initially, ensuring not to damage the plant.
- **Watering:** Water plants regularly according to their specific needs. The planter's design allows for drainage to prevent

waterlogging.

MAINTENANCE

To ensure the longevity and appearance of your vidaXL Garden Planter, regular maintenance is recommended:

- **Cleaning:** Periodically clean the wood surfaces with a soft cloth and mild soap solution. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Wood Treatment:** Although crafted from weather-resistant solid wood, applying a wood sealant or stain annually can further protect the wood from UV rays and moisture, extending its lifespan and maintaining its color.
- **Drainage Check:** Ensure the drainage holes at the bottom of the planter box remain clear of debris to prevent water accumulation.
- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your planter, consider the following:

- **Wood Discoloration/Fading:** This is often due to prolonged exposure to sun and rain. Apply a suitable outdoor wood stain or sealant to restore color and provide protection.

- **Wobbling Trellis:** Check all screws connecting the trellis to the planter box. Tighten any loose fasteners. Ensure the planter is placed on a level surface.
- **Poor Plant Growth:** This is typically related to plant care, not the planter itself. Review your watering schedule, soil quality, sunlight exposure, and fertilization practices. Ensure proper drainage from the planter.

SPECIFICATIONS

Brand	vidaXL
Model Number (ASIN)	B01LT7YTGI
Material	Solid Wood
Color	Brown
Product Dimensions (W x D x H)	24"W x 11.8"D x 48"H (61 cm W x 30 cm D x 122 cm H approx.)
Item Weight	11.13 pounds (5.05 kg)
Indoor/Outdoor Usage	Outdoor
Mounting Type	Floor Standing
