SETUP

1. Charging the Earphones

Before first use, fully charge the earphones. Connect the USB charging cable to the charging port on the earphones and to a compatible USB power source (e.g., computer, wall adapter). The charging indicator light will typically show red during charging and turn off or blue when fully charged.

- **Charging Time:** Approximately 1 to 2 hours.

2. Bluetooth Pairing

To connect your earphones to a Bluetooth-enabled device:

1. Ensure the earphones are fully charged and turned off.
2. Press and hold the multi-function button on the earphones until the indicator light flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Awei A860BL-BK" from the list of found devices.
5. Once connected, the indicator light on the earphones will typically flash blue slowly or turn off.

If pairing fails, turn off both devices, restart them, and repeat the pairing process.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until the indicator light flashes blue.

- **Power Off:** Press and hold the multi-function button for approximately 3-5 seconds until the indicator light flashes red and then turns off.

Music Control

- **Play/Pause:** Short press the multi-function button.
- **Next Track:** Long press the Volume + button.
- **Previous Track:** Long press the Volume - button.
- **Volume Up:** Short press the Volume + button.
- **Volume Down:** Short press the Volume - button.

Call Control

- **Answer/End Call:** Short press the multi-function button.
- **Reject Call:** Long press the multi-function button.
- **Redial Last Number:** Double-press the multi-function button.

Voice Assistant

- **Activate Voice Assistant:** Triple-press the multi-function button (functionality depends on your connected device).

MAINTENANCE

Proper maintenance ensures the longevity and performance of your earphones.

- **Cleaning:** Use a soft, dry cloth to clean the earphones. Do not use abrasive cleaners or solvents.
- **Storage:** Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** These earphones are **not water-resistant**. Avoid exposure to liquids, moisture, and high humidity.
- **Cable Care:** Avoid pulling the cable excessively or bending it sharply to prevent damage.
