

**Polk Audio MagMini**

# Polk Audio MagniFi Mini Home Theater Surround Sound Bar User Manual

**POLK AUDIO**

**Model: MagMini**

## INTRODUCTION

The Polk Audio MagniFi Mini Home Theater Surround Sound Bar is designed to deliver a powerful, room-filling home theater experience from an ultra-compact system. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your MagniFi Mini system, ensuring you get the best possible audio performance.

## PRODUCT OVERVIEW

The MagniFi Mini system includes a compact sound bar and a wireless subwoofer, engineered to provide immersive surround sound with crystal clear dialogue. Its small footprint makes it ideal for any space, while its advanced technologies ensure a premium audio experience.

## KEY FEATURES

- **Compact Design, Big Sound:** Features powerful drivers and tweeters for clear sound in an ultra-compact form factor.
- **Immersive Surround Sound:** Utilizes Polk's patented SDA Audio Technology and 5.1 Dolby Digital decoding for a multi-dimensional experience with the included wireless subwoofer.
- **Voice Adjust Technology:** Independently control voice levels to maximize clarity and minimize voice delays, ensuring every word is heard.
- **Independent Sound Modes:** Dedicated modes for Movies, Music, and Sports deliver balanced sound clarity tailored to your content.
- **Wireless Music Streaming:** Stream music via Google Cast from compatible Android devices for a multi-room system, or through Bluetooth from any smartphone or tablet.
- **Easy Setup:** Quick and simple setup in minutes using included HDMI and optical cables, and the Google Home app.

## WHAT'S IN THE BOX

Your Polk Audio MagniFi Mini system comes with everything you need for a quick and easy setup:

- Polk Audio MagniFi Mini Sound Bar
- Wireless Subwoofer
- IR Remote Control
- (2) AAA Batteries (for remote)
- HDMI Cable
- Optical Cable
- Power Cable for Sound Bar
- Power Cable for Subwoofer

Figure 3: The included IR remote control for your MagniFi Mini system.

Setting up your MagniFi Mini is designed to be straightforward. Follow these steps to get your system ready for use.

## Step 1: Placement

Place the MagniFi Mini sound bar directly in front of your TV, centered for optimal audio dispersion. Its compact size allows it to fit comfortably in most entertainment setups without obstructing the TV screen.

The wireless subwoofer can be placed anywhere in the room, as its wireless connectivity provides flexibility. For best bass performance, experiment with different locations, such as near a wall or in a corner, to find the ideal spot for your listening environment.

Figure 4: The MagniFi Mini sound bar positioned under a TV, with the wireless subwoofer placed nearby.

## Step 2: Connections

- **Connect to TV:** Use either the included HDMI cable (recommended for ARC/eARC compatible TVs) or the optical cable to connect the sound bar to your TV's corresponding audio output port.
- **Power Connection:** Connect the power cables to the sound bar and the wireless subwoofer, then plug them into a wall outlet. The subwoofer will automatically pair with the sound bar.
- **Initial Setup:** For Google Cast functionality and advanced settings, download the Google Home app on your Android or iOS device and follow the on-screen instructions to connect your MagniFi Mini to your Wi-Fi network.

## OPERATING INSTRUCTIONS

### Power On/Off

Press the Power button on the remote control or on the top of the sound bar to turn the system on or off.

## Volume Control

Use the Volume Up (+) and Volume Down (-) buttons on the remote to adjust the overall system volume.

## Voice Adjust Technology

The Voice Adjust feature allows you to customize the voice levels for clear, crisp dialogue. Use the VOICE (+) and VOICE (-) buttons on the remote to increase or decrease the dialogue clarity independently of the master volume.

## Sound Modes

The MagniFi Mini offers three preset sound modes: Movie, Music, and Sports. Press the corresponding mode buttons on the remote to optimize the audio for your content. There is also a Night Mode button to lower bass and increase Voice Adjust for late-night viewing.

## Bluetooth Streaming

To stream audio via Bluetooth, press the Bluetooth button on the remote. The sound bar will enter pairing mode. Select "Polk MagniFi Mini" from your device's Bluetooth settings to connect and begin streaming.

## Google Cast

Once connected to your Wi-Fi network via the Google Home app, you can cast audio directly to your MagniFi Mini from compatible apps on your smartphone or tablet. Look for the Cast icon within your favorite music streaming applications.

## MAINTENANCE

Proper care and maintenance will ensure the longevity and optimal performance of your Polk Audio MagniFi Mini system.

- **Cleaning:** Gently wipe the surfaces of the sound bar and subwoofer with a soft, dry cloth. Avoid using harsh chemicals, cleaning sprays, or abrasive materials, as these can damage the finish.
- **Ventilation:** Ensure that the sound bar and subwoofer have adequate ventilation. Do not block any ventilation openings.
- **Environment:** Keep the system away from direct sunlight, heat sources, and excessive moisture.

## TROUBLESHOOTING

If you encounter any issues with your MagniFi Mini, refer to the following common troubleshooting tips:

### No Sound

- Ensure the sound bar and TV are powered on and not muted.
- Verify that the correct input source is selected on the sound bar (e.g., HDMI, Optical, Bluetooth).
- Check all cable connections between the sound bar and TV are secure.
- Confirm your TV's audio output settings are configured to send audio to an external speaker system.

### Dialogue Unclear

- Increase the Voice Adjust level using the VOICE (+) button on the remote.
- Try switching between different sound modes (Movie, Music, Sports) to see if one improves clarity.

### Subwoofer Not Connecting

- Ensure the subwoofer is powered on and within range of the sound bar.
- If the subwoofer does not automatically pair, refer to the full user guide for manual pairing instructions.

### Bluetooth Pairing Issues

- Make sure the sound bar is in Bluetooth pairing mode.
- Ensure your device's Bluetooth is enabled and it is within range.
- Forget the device from your phone's Bluetooth settings and try pairing again.

For more detailed troubleshooting, please refer to the comprehensive User Guide available online or via the provided PDF link.

## TECHNICAL SPECIFICATIONS

Feature	Specification
Model Name	MagniFi Mini
Product Dimensions (Sound Bar)	4.3"D x 13.4"W x 3.2"H
