Conair FB52ES

Conair Foot Spa with Waterfall (Model FB52ES) Instruction Manual

Model: FB52ES | Brand: Conair

INTRODUCTION

Thank you for choosing the Conair Foot Spa with Waterfall. This manual provides important information for the safe and effective use of your foot spa. Please read all instructions carefully before use and retain for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: To reduce the risk of burns, electrocution, fire, or injury to persons:

- Do not use near a bathtub or shower.
- Always unplug the appliance immediately after using.
- Do not use if the cord or plug is damaged.
- Keep away from children.
- Do not stand up inside the massager.
- Do not use water above 30°C (86°F). The heat function is designed to maintain water temperature, not to heat cold water.

SETUP INSTRUCTIONS

1. Place the foot spa on a flat, stable surface.
2. Ensure the unit is unplugged before filling with water.
3. Fill the basin with warm water up to the indicated fill line. Do not overfill.

4. Plug the product into a suitable electrical outlet.
5. Position your feet comfortably inside the spa.

OPERATING INSTRUCTIONS

The Conair Foot Spa offers several features for a relaxing experience. Use the toe-touch controls to activate desired functions.

Functions:

- **Waterfall Feature:** Activates a gentle cascade of water for a soothing sensation and light massage.
- **Bubbles:** Engages the bubble function for a stimulating and relaxing foot massage.
- **Heat Function:** Helps maintain the temperature of the water for a prolonged comfortable spa experience. Note that this function is designed to maintain warmth, not to heat cold water.
- **Relaxing Light:** Provides a soft light for an enhanced spa ambiance.

Using the Accessories:

The foot spa includes three interchangeable accessories for comprehensive foot care:

- **Pumice Stone:** For exfoliating rough skin and calluses.

- **Cleaning Brush:** For gentle cleansing of the feet.
- **Soft-Touch Massager:** For a gentle, stimulating massage.

CARE AND MAINTENANCE

- Always unplug the unit before cleaning.
- Empty the water from the basin after each use.
- Wipe down the interior and exterior surfaces with a damp cloth and mild detergent.
- Do not use abrasive cleaners or harsh chemicals.
- Store the foot spa in a cool, dry place.
- Do not attempt to repair the unit yourself. Refer to the warranty section for service information.

TROUBLESHOOTING

If you experience issues with your Conair Foot Spa, please refer to the following common solutions:

- **Unit does not turn on:**

- Ensure the power cord is securely plugged into a working electrical outlet.
- Check if the outlet is receiving power by testing it with another appliance.

- **No bubbles or waterfall:**

- Ensure the water level is within the recommended range.
- Check that the respective function buttons are activated.

- **Water is not staying warm:**

- The heat function is designed to maintain the temperature of warm water, not to heat cold water. Ensure you start with warm water.
- Verify the heat function is activated.

If problems persist, contact customer support as outlined in the Support section.
