Awei A880BL

Awei A880BL Neck Hanging Sport Headphone User Manual

Model: A880BL | Brand: Awei

PRODUCT OVERVIEW

The Awei A880BL Neck Hanging Sport Headphone is designed for active users, offering a comfortable in-ear fit with a neck-hanging design. This Bluetooth wireless headset provides clear audio and is equipped with a built-in microphone for calls.

Image of the Awei A880BL Neck Hanging Sport Headphone, featuring a black and yellow design with in-ear earbuds and a flexible neckband.

Key Features:

- **Bluetooth 5.3 Connectivity:** Ensures stable transmission, lower power consumption, and extended range.
- **Superior Sound:** Features 13mm drivers for quality sound with deep bass and clear mids.
- **Clear Calls:** Built-in microphone with call noise cancellation for high-quality conversations.
- **Ergonomic Design:** Lightweight (3.85g per earbud) and designed for comfortable, long-term wear, ideal for sports.
- **Easy Touch Control:** Manage music, calls, and voice assistant directly from the earbuds.

SETUP GUIDE

1. Charging the Headphone

Before first use, ensure the headphone is fully charged. The Awei A880BL supports both wireless charging (for the charging case, if applicable) and USB-C cable charging.

- Connect the provided USB-C cable to the charging port on the headphone (or charging case) and to a compatible USB power source.
- If using wireless charging, place the charging case on a compatible wireless charging pad.

- The indicator light will show charging status and turn off or change color when fully charged.

2. Pairing with Your Device

The Awei A880BL uses Bluetooth 5.3 for quick and stable connections.

1. Ensure the headphone is charged and powered on.
2. On your device (smartphone, tablet, computer), enable Bluetooth.
3. Search for available Bluetooth devices. The headphone should appear as "Awei A880BL" or similar.
4. Select "Awei A880BL" to pair. Once paired for the first time, the headphone will automatically connect to your device when taken out of the charging case (if applicable) and Bluetooth is enabled on your device.

OPERATING INSTRUCTIONS

Wearing the Headphone

The Awei A880BL is designed for a secure and comfortable fit, especially during physical activity. It comes with 3 pairs of different sized soft rubber ear caps (M size installed). Choose the ear caps that provide the best seal and comfort for your ears.

- Gently insert the earbuds into your ear canals.
- Adjust the neck-hanging band to rest comfortably around your neck.
- Ensure the earbuds are snug but not uncomfortably tight to optimize sound quality and stability.

Touch Controls

The earbuds feature intuitive touch controls. Specific functions may vary slightly based on your device and operating system.

Action	Function
Single Tap	Play/Pause music, Answer/End call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track
Triple Tap	Activate Voice Assistant (Siri, Google Assistant, etc.)
Long Press (2 seconds)	Reject Incoming Call

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Awei A880BL headphone.

Cleaning

- Regularly clean the earbuds and charging contacts with a soft, dry, lint-free cloth.
- Remove ear caps and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

Storage

- When not in use, store the headphone in its charging case or a protective pouch to prevent damage.

- Avoid storing in extreme temperatures (hot or cold) or in highly humid environments.

Water Resistance

Important Note:

While some product descriptions may mention water resistance, the official specifications for the Awei A880BL indicate that it is **Not Water Resistant**. To prevent damage, avoid exposing the headphone to water, sweat, rain, or excessive moisture. Do not submerge the device in any liquid.

TROUBLESHOOTING

If you encounter issues with your Awei A880BL headphone, try the following solutions:

- **Headphone not pairing:**
 - Ensure Bluetooth is enabled on your device and the headphone is in pairing mode.
 - Turn off and on your device's Bluetooth.
 - Forget the device from your Bluetooth list and try pairing again.
 - Ensure the headphone is sufficiently charged.
- **No sound or low volume:**
 - Check the volume levels on both the headphone and your connected device.
 - Ensure the headphone is properly connected to your device.
 - Clean any debris from the earbud nozzles.
- **Charging issues:**
 - Verify the charging cable and power adapter are working correctly.
 - Ensure the charging contacts on the headphone and in the case are clean and free of obstruction.
 - If using wireless charging, ensure proper alignment on the charging pad.
- **Intermittent connection:**
 - Move closer to your connected device to reduce interference.
 - Avoid environments with strong Wi-Fi signals or other Bluetooth devices that may cause interference.
