## Harley-Davidson 8005092

# Harley-Davidson Golden Skull/Bar & Shield Challenge Coin (Model 8005092) User Information Guide

## INTRODUCTION

This guide provides essential information regarding your Harley-Davidson Golden Skull/Bar & Shield Challenge Coin, Model 8005092. This collectible coin is designed for enthusiasts and collectors, featuring iconic Harley-Davidson imagery crafted from high-quality metal.

The coin measures 1.75 inches in size. One side showcases the famous golden Willie G Skull Logo, encircled by engraved flames. The reverse side features a prominent golden outline of the Bar & Shield logo, also surrounded by flames. This item is intended for collection and display.

## PRODUCT FEATURES

- **Material:** Constructed from heavy-duty, high-quality metal.
- **Design:** Features the iconic golden Willie G Skull logo on one side and the golden Bar & Shield logo on the other.
- **Detailing:** Both logos are surrounded by contrasting silver flame engravings.
- **Size:** Measures 1.75 inches in diameter.
- **Craftsmanship:** Exhibits finest detail and color application.

## CARE AND MAINTENANCE

To preserve the appearance and integrity of your challenge coin, follow these care guidelines:

- **Handling:** Always handle the coin by its edges to avoid transferring oils from your skin, which can tarnish the surface over time. Consider wearing soft cotton gloves when handling.
- **Cleaning:** For light dust, gently wipe the coin with a soft, dry, lint-free cloth. Avoid abrasive materials or harsh chemical cleaners, as these can damage the metal finish and detailing. Do not use liquid polishes unless specifically designed for this type of metal and applied sparingly.
- **Avoid Moisture:** Keep the coin away from excessive moisture and humidity, which can lead to corrosion or tarnishing.

## DISPLAY AND STORAGE

---

Proper display and storage are crucial for maintaining the condition of your collectible coin:

- **Display Cases:** Store the coin in a dedicated coin capsule, display case, or frame designed for collectibles. Ensure the materials are acid-free and PVC-free to prevent long-term damage.
- **Location:** Display the coin in a stable environment, away from direct sunlight, extreme temperature fluctuations, and high humidity. Direct sunlight can cause fading or discoloration over time.
- **Security:** If displaying openly, ensure it is in a secure location to prevent accidental drops or damage.
