# Baseus WXAPIPH8N-17 Magnetic Wireless Charging Case User Manual

Model: WXAPIPH8N-17 | Brand: Baseus

## 1. INTRODUCTION

Thank you for choosing the Baseus WXAPIPH8N-17 Magnetic Wireless Charging Case. This product is designed to provide convenient wireless charging for your iPhone 7 or iPhone 8, both at home and on the go. It features a magnetic attachment for secure placement and a 360-degree rotating ring for versatile viewing angles. This manual provides essential information for the safe and effective use of your device.

## 2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble, repair, or modify the device. This will void the warranty and may cause damage.
- Keep the device away from water and other liquids.
- Use only compatible power adapters and cables.
- Ensure proper ventilation when charging to prevent overheating.

## 3. PACKAGE CONTENTS

Please check the package for the following items:

- Baseus Magnetic Wireless Charging Case (for iPhone 7/8)
- Corded Car Mount Holder

This image displays the Baseus Magnetic Wireless Charging Case for iPhone 7/8, shown in gold, along with the accompanying car mount holder. The product is presented within its retail packaging, highlighting its key features such as magnetic wireless charging and the 360-degree rotating ring.

## 4. SETUP

---

### 4.1 Installing the Wireless Charging Case

1. Gently insert your iPhone 7 or iPhone 8 into the Baseus wireless charging case, ensuring it seats firmly and all ports align correctly.
2. Press firmly around the edges of the case to ensure a secure fit.

### 4.2 Installing the Car Mount Holder

1. Identify a suitable location in your car, typically an air vent, for the car mount holder.
2. Attach the car mount holder securely to the air vent using its clip mechanism. Ensure it is stable and will not obstruct your view or vehicle controls.
3. Connect the corded car mount holder to your car's power source (e.g., a USB port or car charger adapter).

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Wireless Charging in Car

1. Once the car mount holder is powered, simply place your iPhone (with the Baseus case installed) onto the magnetic surface of the car mount.
2. The magnetic connection will secure your phone, and wireless charging will begin automatically.
3. Ensure the phone is centered on the charging area for optimal charging efficiency.

### 5.2 Using the 360° Rotating Ring

- The integrated ring on the back of the case can be rotated 360 degrees.
- Use the ring as a kickstand for hands-free viewing of videos or video calls on a flat surface.
- The ring also provides a secure grip when holding your phone.

## 6. MAINTENANCE

---

- Clean the case and car mount holder with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or strong chemicals, as these may damage the product's finish.
- Keep the magnetic surface of the car mount free from dust and debris to ensure a strong connection.

## 7. TROUBLESHOOTING

---

### 7.1 Phone Not Charging

- **Check Power Source:** Ensure the car mount holder is properly connected to a working power source in your vehicle.
- **Proper Alignment:** Make sure your iPhone (in the case) is correctly centered on the magnetic charging area of the car mount.
- **Case Compatibility:** Verify that the case is securely fitted to your iPhone 7 or iPhone 8.
- **Obstructions:** Remove any foreign objects between the phone case and the car mount that might interfere with charging.

### 7.2 Weak Magnetic Connection

- **Clean Surfaces:** Ensure both the case and the car mount's magnetic surface are clean and free of dust or debris.
- **Proper Placement:** Confirm the phone is placed directly onto the magnetic area.

### 7.3 Ring Not Rotating Smoothly

- **Check for Debris:** Inspect the rotating mechanism for any trapped dust or small particles.
- **Avoid Force:** Do not force the ring if it feels stiff; gentle rotation is intended.

## 8. SPECIFICATIONS

---

Model Number	WXAPIPH8N-17
Product Dimensions	6.3 x 4.72 x 1.18 inches
