4. Setup and Assembly

The KAHUNA Massage Chair LM-6800 requires some assembly upon delivery. While designed for straightforward setup, due to its weight (200 pounds), it is recommended that two people handle the chair during unboxing and assembly.

- **Unpacking:** Carefully remove all components from the packaging.
- **Placement:** Position the chair in its desired location, ensuring sufficient clearance from walls for reclining (approximately 2-3 inches for space-saving technology).
- **Component Attachment:** Follow the included graphical instructions to attach the armrests, footrest, and any other modular components. Ensure all connections are secure.
- **Power Connection:** Plug the power cord into a grounded electrical outlet.

5. Operating Instructions

Your KAHUNA Massage Chair LM-6800 is operated via a wired remote control. Familiarize yourself with the remote's functions before beginning a massage session.

Remote Control Functions

- **Power Button:** Turns the chair on/off.
- **Auto Programs:** Select from 6 pre-set massage programs (e.g., Yoga, SH-Chiro).
- **Zero Gravity (Zero-G):** Activates the zero gravity recline positions. Press multiple times to cycle through the 3 levels.
- **Manual Modes:** Choose specific massage techniques (Shiatsu, Kneading, Rolling, Tapping, Tapping Kneading) and adjust speed, intensity, and area.
- **Heating:** Activates or deactivates the heating function for the back and calves.
- **Airbag Control:** Adjust the intensity of the airbag compression for shoulders, arms, calves, and feet.
- **Timer:** Set the duration of your massage session (up to 30 minutes).

Starting a Massage:

1. Sit comfortably in the chair.
2. Press the Power button on the remote.
3. Select an Auto Program or customize your massage using Manual Modes.
4. Adjust recline, heating, and airbag intensity as desired.

6. Maintenance

Regular maintenance ensures the longevity and optimal performance of your massage chair.

- **Cleaning:** Wipe the chair's surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Power Off:** Always unplug the chair from the power outlet before cleaning or performing any maintenance.
- **Inspection:** Periodically check for any loose connections or signs of wear and tear.

7. Troubleshooting

If you encounter any issues with your KAHUNA Massage Chair LM-6800, refer to the following common solutions:

- **Chair Not Powering On:** Ensure the power cord is securely plugged into both the chair and a working electrical outlet. Check the circuit breaker.
- **Massage Feels Too Intense (e.g., Foot Rollers):** The intensity of some massage features, like foot rollers, can be strong. Consider using extra padding or adjusting the intensity settings on the remote.
- **Remote Control Issues:** Ensure the remote is properly connected. If the display is unresponsive, try unplugging the chair for a few minutes and plugging it back in to reset.
- **Unusual Noises:** Minor operational noises are normal. If you hear loud or unusual sounds, discontinue use and contact customer support.

For persistent issues, please contact KAHUNA customer support.
