CARGADOR ESP 6V Power Adapter

CARGADOR ESP 6V Power Adapter User Manual

Model: 6V Power Adapter - Compatible with Movistar IMAGENIO ARRIS HDTV 00412815

INTRODUCTION

This manual provides essential information for the safe and efficient use of your CARGADOR ESP 6V Power Adapter. This adapter is designed as a replacement power supply for devices requiring a 6V output, specifically compatible with the Movistar IMAGENIO ARRIS HDTV 00412815 Decoder/Router. Please read this manual thoroughly before use and retain it for future reference.

SAFETY INFORMATION

To ensure safe operation and prevent damage, observe the following precautions:

- Verify that the voltage and current requirements of your device match the adapter's output (6V). Using an adapter with incorrect specifications can damage your device.
- Do not expose the adapter to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the adapter to strong impacts.
- Do not attempt to open or repair the adapter. Refer all servicing to qualified personnel.
- Ensure the adapter is plugged into a properly grounded and easily accessible power outlet.
- Unplug the adapter from the power outlet when not in use for extended periods.
- Keep out of reach of children.

PACKAGE CONTENTS

Your package should contain the following items:

- 1 x CARGADOR ESP 6V Power Adapter with 110cm cable
- 1 x Power plug for Belgium/Europe (Type E/F – 2 pins hybrid EU)

Image: The CARGADOR ESP 6V Power Adapter, featuring a black rectangular main unit, a coiled black power cable, and a barrel connector plug at the end. The adapter is shown with a standard European 2-pin plug type.

SETUP

1. **Verify Compatibility:** Before connecting, ensure your device (e.g., Movistar IMAGENIO ARRIS HDTV 00412815) requires a 6V DC input and that the adapter's barrel connector physically fits your device's power input port.
2. **Connect to Device:** Insert the barrel connector of the power adapter firmly into the DC input port of your compatible device.

3. **Connect to Power Outlet:** Plug the adapter's EU 2-pin plug into a standard, easily accessible 230V AC wall outlet (Type E/F).
4. **Power On Device:** Once connected, power on your device as usual. The adapter will supply the necessary power.

OPERATING INSTRUCTIONS

The CARGADOR ESP 6V Power Adapter operates automatically once connected. It converts the AC mains voltage to a stable 6V DC output required by your compatible device.

- Ensure all connections are secure before powering on your device.
- The adapter is designed for continuous operation but should be unplugged during electrical storms or when not in use for extended periods.
- Observe your device's power indicator to confirm it is receiving power.

MAINTENANCE

The CARGADOR ESP 6V Power Adapter requires minimal maintenance.

- **Cleaning:** Disconnect the adapter from the power outlet and your device before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and moisture when not in use. Avoid tightly coiling the cable to prevent damage.
- **Inspection:** Periodically inspect the cable and connectors for any signs of wear, cuts, or damage. If damage is observed, discontinue use and replace the adapter.

TROUBLESHOOTING

If you encounter issues with your power adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device does not power on.	Adapter not properly connected. Power outlet is not active. Device fault.	Ensure the adapter is fully plugged into both the device and the wall outlet. Test the outlet with another appliance. Consult your device's manual or manufacturer.
Adapter feels unusually hot.	Overload or poor ventilation.	Ensure the adapter is not covered and has adequate airflow. If overheating persists, discontinue use and contact support.
Intermittent power to device.	Loose connection or damaged cable.	Check all connections. Inspect the cable for visible damage. If damaged, replace the adapter.

If troubleshooting steps do not resolve the issue, please contact CARGADOR ESP customer support.
